METANOL EXPRE\$\$

I was passing by this long old train one day and saw the table of description of the wagons. 2 Ideal for a slot game idea

So here is much more complex one, but that will be keeping player excited 2 on each and every spin. Yeah because each spin have lots of interesting stuff going on.

Base game with lots ofR\$hit 2 going on. Especially three parts:

1. Left side reel numbers (high paying symbols) - always good to land them in, sometimes 2 there might be none, but landing them in -> makes step two interesting (when they are combined together with paying 2 symbols).

2. Middle long reel - there you can land three possible extras.

MULTI ROW - this feature adds in a multiplier 2 and paying symbol that gives to every same symbol multiplier on left side reel (middle long reel is combining with 2 4 left side reels making it full line with multiplier applied.

TORN REEL - this feature is splitting apart middle two 2 reels to make the winning line (called TR LINE) of 7 symbols total. Yes, two extra symbols which in paytable 2 is as add-on max win line. and 3rd one - is the thing - I will keep as a surprise

Now 2 the right side reels - two and the fence one are where paying symbols or scatters landing on every spin.

Its 2 just an extra small reel to have some little cherry on top with max three same symbols landing, but, if 2 you land each different one, of course no win is paid, but if you land three its adding on multiplier 2 on them by amount of landed symbol (max x3, because of max three symbols). The good thing there is - 2 in playtable its also as extra thingy to look forward to - every symbol is counted as 1.6667x symbol in 2 main reel. So with three same symbols you can get basically full line of 5 win - with multiplier x3 2

I am not a math gig or mechanics gig, those are quite complex ideas but the right person I am 2 sure can make it work

6, 7 or 8 METANOL FREE SPINS are awarded when S - scatters lands into 2 reel.

In free spins you simply will get each spin paying symbol landing in all three reels. No dead spins on 2 those places, so the potential is huge (if you land one of the premiums in - say all three with 2 Torn Reel!!!

I was aiming to have base game kind of interesting as well. Again with good work of right person 2
I would love to make this one happened
