Intro Stepping into the world of online casinos is easy when you're playing at 22Bet

casino. In this article, which is part of our best online casino reviews, you'll find a

wide range of casino games, sports betting, live dealer games, and top promotions to

explore. Furthermore, you'll enjoy a truly global experience, as residents from 30+

locations are welcome to join, from Europe to Canada.

License The most important aspect

to tackle first in our 22Bet casino review covers licensing credentials and security.

The 22Bet web platform is managed and operated by TechSolutions (CY) Group Limited

(registration number: HE 377018). It offers online gambling and sports betting products

and services legally through two separate licences, issued by: the Government of

Curaçao (licence number 8048/JAZ, issued on 16 November 2024, valid until 28 November

2024), and

(licence number 8048/JAZ, issued on 16 November 2024, valid until 28

November 2024), and the Kahnawake Gaming Commission (licence No. 00882, issued on 19

May 2024). The personal data you supply at registration and your banking information

are both encrypted and stored in a password-protected database. To guarantee your data

confidentiality, 22Bet uses 128-bit encryption SSL version 3, alongside the latest firewall technology. Unfortunately, while in the past the platform accepted UK residents and was also licenced by the UK Gambling Commission, this is not the case anymore in 2024. Their sister portal, 22bet.co.uk, has officially shut down.

Responsible Gambling Methods Being a responsible gambler is about more than just setting a budget or knowing your limits; it's also about making the most of responsible gambling methods when necessary. The good news is that 22Bet casino provides a number of responsible gambling measures that can be activated. These include deposit limits, personal betting limits, full access to your customer history, and the ability to opt out from your account for a specified amount of time. You can also choose to self-exclude by contacting the 24/7 customer support team via live chat or e-mail. If you're unsure whether or not you need help for a gambling problem, refer to the Problem Gambling Questionnaire on the responsible gambling page, or contact GamCare for more information.

First deposit casino bonuses, weekly slots races, rebate bonuses, birthday gifts, and various sports offers are some of the best online casino bonuses that await if you decide to become a member of 22Bet casino! Here are the main highlights to discover in 2024 and how you can redeem these juicy offers. **Welcome Bonus** If you've just registered on 22Bet casino, completed all requested fields in your player profile, and made a first deposit of at least €1, you'll be eligible for a casino bonus of 100% up to €300. You don't have to use any promo code - 22Bet grants this promotion automatically to your account once you've made the minimum deposit required. The wagering requirements are 50x to convert the bonus funds into real money, while the maximum bet to wager the bonus is €/\$5. This offer is not available if you've made your first deposit in cryptocurrency. The wagering must be fulfilled within seven days of activation. **Claim this Bonus at 22Bet Weekly Races** Fire up for the competition every week with 22Bet's slot races! If you enjoy the thrill of a race against the clock in exchange for a chance to win €10,000, you're in the right spot. For those of you who are interested, you need to opt in manually by clicking on the 'Take part' button from the offer page. The brand organises races every week, from Monday 00:01 GMT to Sunday 23:59 GMT. Any player is welcome, new or existing. Only slots are included; table games and live casino are not. For every bet you place at any 22Bet slots during the promotional period, you'll receive a set number of points, with a €1 bet = 100 points. Throughout every race, you'll be able to track your progress and see how you're measuring up against the other participants by following the leaderboard. Each race will have 100 winners, and prizes are distributed to the players with the highest number of points. Rewards are paid in cash, have no wagering requirements, and will be credited within 24 hours after the race ends. **Birthday Bonus** Your birthday is not just the perfect occasion to party with friends and family... at 22Bet, this day also means receiving a special gift, namely 500 points that you can use in the bonus shop. To be eligible for the bonus, you must have a valid player account, and make sure both your e-mail address and phone number have been verified. In addition, all the fields in the 'My Account' section must be completed, and you have to agree to participate in the bonus programme. The offer is only available to active customers, and you'll receive the bonus on your birthdate (the one supplied at registration and validated through an ID). At the current moment, 22Bet doesn't have a platform-wide VIP programme. In fact, they only have a VIP programme for sports that is available for users in Senegal. The concept is simple: the more bets you place, the higher the number of comp points you acquire in the leaderboard. These can further be exchanged into free bets.

Games If

you're a fan of real-money casino games from different software providers, then 22Bet casino is the place to be. You'll find hundreds of games available by many of the best

creators and studios in the industry. Real money slots, progressive slots, table games, new games, and so much more can be found in one place! Casino Design The 22Bet website

features a calming colour palette of green, dark blue, and red, while the informational sections have an all-white background for better readability. This provides a balanced, professional design that's not too tiring on the eyes, even when using a smaller screen. The platform is also well-organised, as the main points of interest for the player are reunited in the top menu – 'sports', 'live', 'jackpot', 'casino', 'bonuses', etc. The website is responsive, so you can navigate to your favourite games category with no issue from a smartphone or a tablet. Furthermore, most titles on display are mobile-friendly - for example, HTML5 slots and live casino game shows. One aspect to critique is that the loading speed is a bit slow, especially when you visit the home page. This is because there are numerous visual elements that need to be displayed at once, such as banners and slot logos. On the flip side, the image quality is good, and all the visuals are rendered in HD. To locate a desired game easily, there are two main sections provided, namely 'casino' for the live dealer games, and 'slots' for the various slot categories available (e.g. single-line slots, Megaways™ slots, Bonus Buy slots, etc.). In addition, if you want to find something even more specific, you can

use alternative filters, such as 'new', 'jackpot', 'popular', and 'Drops & Wins'. A search bar is supplied in the top-right corner of the casino page, for those of you who want to locate a game by name or developer.

Mobile App 22Bet casino offers all its games on its mobile site, which can be accessed via your mobile browser. Slick and easy to navigate, everything you enjoy about the desktop site can be found on its mobile counterpart in an instant. Just make sure that your internet connection is reliable to avoid any interruptions to your gameplay. No Casino Mobile App! No Casino Mobile App! Sadly, while 22Bet does have iOS and Android mobile apps, these only provide access to sports betting, not slots or live casino. Even so, they're great at what they do, allowing you to place bets on the go, watch live sports and esports matches, deposit and withdraw money from all around the world, at any time.

Customer Support If you have any queries about your account, the bonuses available, or any other platform features, you can contact customer support 24 hours a day, seven days a week on live chat or e-mail, at support-en@22bet. Alternatively, you can use the on-site contact form: simply supply your first name, e-mail address, and message, and a team member will get back to you as soon as possible. Moreover, should anything go wrong with your experience, 22Bet has another e-mail address where you can submit a complaint: complaints@22bet. There is also a phone assistance line that you can call: +357 99 816806. When you access the website, you can choose from 60+ languages to get a local experience, including British English, Finnish, Romanian, and Japanese, among others. However, the customer support team only answers queries in English. Based on our tests, the response rate for the live chat is quite good - we were able to get a satisfying answer in roughly five minutes.

VIP Section Unfortunately, at the time of writing, there is no VIP or loyalty programme available at 22Bet casino.
