Chelsea considerando oferta por Ivan Toney en busca de un delantero antes de la fecha límite de transferencia

Chelsea está considerando hacer una oferta por Ivan Toney, del Brentford, mientras intentan fichar un delantero antes de la fecha límite de transferencia del viernes. También han sostenido conversaciones con Manchester United sobre un intercambio que involucre a Raheem Sterling y Jadon Sancho.

Toney ha emergido como una posible solución para Chelsea después de que fracasaran en llegar a un acuerdo en las conversaciones con Napoli sobre Victor Osimhen. Se entiende que, aunque el delantero nigeriano está ansioso por el movimiento, Chelsea no está dispuesto a igualar sus demandas salariales. Napoli está cerca de firmar a Romelu Lukaku de Chelsea en un acuerdo permanente.

Por qué Chelsea está interesado en Ivan Toney

Toney ha sido ofrecido un contrato por el club saudí Al-Ahli por un salario reportado de £16m al año, pero prefiere quedarse en la Premier League. Brentford está pensando en £50m por Toney, quien tiene menos de un año en su contrato y ha hecho público su deseo de irse. Chelsea se espera que pruebe su determinación haciendo una oferta inicial significativamente por debajo del precio solicitado, y Toney se esperaría que se ajuste a su estructura salarial.

Otros movimientos de transferencia de Chelsea

El entrenador de Chelsea, Enzo Maresca, ha dejado claro que fichar un delantero es su prioridad, aunque el club también está tratando de deshacerse de los altos ingresos Sterling y Ben Chilwell. Chelsea está abierto a aceptar a Sancho en calidad de préstamo de United y enviar a Sterling en dirección opuesta, y mantuvo discusiones el martes sobre un posible acuerdo.

Sancho, quien tiene cinco años menos que Sterling, también es objeto de interés de la Juventus. Chilwell también podría ser ofrecido como parte de un acuerdo por Sancho.
