For example, some news in the 9 transfer market or an injury update can have a major impact on the outright winner betting odds, but unless it's 9 a really big match in the Premier League or Bundesliga, the bookmaker probably hasn't even noticed, let alone adjusted their 9 odds.

The bookmaker will wait for a significant number of punters to see a gap in the market and take the 9 outright winner at particular betting odds. Only then will they be alerted that they need to change the football odds 9 for this or that match. But with the help of BetGold you can be that smart punter who gets in 9 there before the crowd, and bet on the best footballing betting odds before they change. That is why it pays 9 you to follow our news and tips here at BetGold so you can judge what are the best football betting 9 odds.
