Hot Slots is an eroge, a video game that rewards game progress, persistence, or performance with {img} that are sexually explicit or suggestive. Each slot machine is accompanied by a scantily-clad hostess, who appears at intervals when the player's winnings surpass a certain threshold.

If you have ever sat in a casino and lost rolls of quarters (or pennies) in slot machines, odds are those machines were manufactured by IGT. International Game Technology's Las Vegas campus includes a three story office building and warehouse used for manufacturing slot machines.

The most basic answer to the question of how do I play slots? is that you insert your wager, press the button, or pull the handle, and hope for the best. But of course, there's a little more to it than that. With each spin, a combination of symbols is revealed resulting in different levels of payouts.
