Street

Racer Gameplay and Symbols

The Street Racer online slot is played with the aid of 5 reels, 4 rows and a total of 40 paylines. With all of the game's symbols paying from the left all the way to the right, punters need 3, 4 or 5 of the same symbols on adjacent reels starting at reel 1.

With an RTP as high as 96.52%, the game's win potential is very decent as you can get up to 2,000 x your bet amount on each spin. This can occur in the game's Free Spins feature as a result of your chosen driver dishing out higher payouts.

Free-Spins and Extra Features

Free Spins feature: There is a rewarding free spins feature in the street racer online slot. To trigger this feature, you need to get as many as 3 free spins symbols. Before the feature begins, a bettor needs to select 1 of 5 options with each of the options connected to a driver.

When 1 of the drivers is selected, the payouts for that driver symbol will increase. Each option offers you a varying amount of payouts and free spins.

The

driver/option that a punter selects will have a direct bearing on the potential max win. For example, below is the likely max win per driver:

Vapor gives 2,000 x stake

Ignite gives 1,500 x stake

Bolt gives 1,000 x stake

Alpha gives 750 x stake

Firefly gives 500 x stake

Beginning at the 1st level, the free spins is a progressive one, which means you must collect nitro symbols to proceed to other levels. With every 3 nitro symbols that you collect, you move up by a level. Below's what you can expect from each of the levels:

3 extra free spins and your selected driver upgrades to the high paying symbol available in Level 2

2 extra free spins and your selected driver upgrades to the high paying symbol available in Level 3

1 extra free spin and your selected driver upgrades to the high paying symbol available in Level 4

5 extra free spins and your selected driver upgrades to the high paying symbol available in Level 5

In total, you can win 23 free spins if you select Firefly initially. If you select Vapor, you can get 19 free spins. Whilst you will be given less free spins with Vapor, expect a significantly higher max win.

You can play Street Racer online slot and enjoy the free-spins on Wizard slots.

Final thoughts on Street Racer Online Slot

The

Street Racer slot is most recommended if you know and love your cars. With a clean and futuristic feel, the animations and graphics are pretty good. It's mainly about the Free Spins feature where the value of your selected driver significantly

increases.

Choosing Vapor is the best way to go as he gives you payouts of as much as 2,000 x your total bet amount per free spin. Enjoy this slot and many others like the Stacked Fire 7s slot on Wizard slots.
