{nn}: Unibet é um livro de esportes online bem estabelecido que aceita depósitos reais 1. Eles oferecem uma ampla gama e mercados para apostar, além da interface amigável do usuário.

### 5 Treasures Online Slot Review

If you enjoy games with an Asian theme, then the golden fish, tigers, and dragons adorning the reels of the 5 Treasures online slot could be just what you are looking for. These classic emblems appear across five reels, crossed by 243 ways, in a PC and mobile game by Shuffle Master.

Play the 5 Treasures slot online and unlock a jackpot round with prizes of up to 1,760x your total bet. Other features include a choice of free spins games, with more examples of your favorite symbol in play. It's a gorgeous game, with rewarding features, and available to play at some of the top online casinos.

### Traditional Symbols of Good Fortune

In many Asian cultures, certain animals and numbers represent good luck and prosperity. That's why so many slot machines themed around Asian traditions feature similar golden dragon, tiger, phoenix, turtle, and fish symbols. Classic playing card icons create lower value wins when they cross the reels. Other symbols include a set of red doors that lead to the bonus games and the Fu Bat wild symbol.

They all sit within a golden frame against a decorative purple backdrop, giving the 5 Treasures online slot an opulent appearance. It's enhanced by the decorative pot of lucky coins above the 5x3 grid of symbols.

The 5 Treasures slot machine comes complete with fixed jackpots, with Fu Babies linked to each. Anyone who plays online slots with an Asian theme will recognize the symbols, and there's a high standard of artwork used throughout, with lots of color and detail. This game is part of the Shuffle Master range, which in turn is in the SG Digital group of companies.

## Lucky Staking Levels

Even the bet range links to the topic of good fortune, with paired numbers suggesting joy and togetherness in Chinese culture. You can play the 5 Treasures slot online with 0.11, 0.22, and so on, rising to higher stakes of 44.00 and a maximum of 88.00 per spin.

The 243 ways to win layout means you win by matching symbol on adjacent reels from the left, but they can be on any of the three rows. At the basic 0.11 bet, you win the amounts shown in this paylines table –

Symbols Match Three Match Four Match Five 9, 10 X0.01 X0.02 X0.03 J, Q X0.01 X0.02 X0.04 K, A X0.01 X0.02 X0.05 Fish X0.02 X0.04 X0.16 Turtle X0.04 X0.08 X0.23 Tiger X0.05 X0.09 X0.35 Phoenix X0.06 X0.12 X0.52 Dragon X0.10 X0.15 X0.88 Red Doors X0.55 X1.10 X5.50

The average return to players percentage is 96.37%. You can play on desktop and mobile platforms, with control options such as fast play and automatic spins mode available across any device.

## Open the Doors to Bonus Games

The Fu Bat emblem is a wild symbol, and while it only appears on the middle three reels, and isn't worth anything on its own, it can act as any other to complete a winning sequence. The red Treasure Door symbol on at least three reels from the left at once opens up a special free spins feature of the 5 Treasures slot machine.

You have a choice of five different free games features. Each consists of six spins, and uses the playing card symbols, wild, red doors, plus your chosen lucky animal. The number of animal symbols across the whole reel set varies depending on their relative values. You can pick 128 fish, 118 turtles, 108 tigers, 98 phoenix, or 88 dragons.

Whatever you choose, the round retriggers with the same lucky animal if you see at least three doors in a winning combination on any free spin.

On every appearance of the wild symbol in both the base games and free spins, coins fill the decorative pot above the reels of the 5 Treasures online slot. It's just for effect, as the pot closes at any time to unlock the jackpot bonus round. Twelve coins appear on the screen, and you pick them in any order to reveal the four Fu Baby icons. Once you find three of the same kind, you win the corresponding Mini, Minor, Major, or Grand jackpot.

## More Mythical Creatures

The Tiger Turtle Dragon Phoenix slot comes from Playtech and features similar emblems of good fortune across the five reels. It's another game with 243 winning ways and a jackpot round that pays out when you match three symbols from the 12 in view. During a free spins feature, wilds multiply your wins to pay up to 2,900x the total bet.

For a game with stunning graphics, play the Four Divine Beasts slot from Habanero or 88 Fortunes slot from Shuffle Master. The beautiful design lucky animals appear over another five-reel, 243 ways setup, triggering free spins, reel respins, and a jackpot bonus round.

## A Classic Oriental Slots Game

While the 5 Treasures slot machine is a good-looking game with nice features, it doesn't really offer much that we haven't seen before. However, is that a bad thing? We don't think so, as there's nothing wrong with tried and tested features, and the choice of lucky animals in the free games is unusual, although not unique.

The bright colors stand out on PC and mobile at some of the top casinos. Play 5 Treasures for free, then for real cash prizes at the recommended sites.
