nearest carriage and is ready to catch the main violator of the order of the railway station! The main character is running away from the guard along the railway tracks. In the game, he will have to dodge trains approaching him, not crash into fences, not fall from a height, move from one track to another in time, and so on. A modified surfboard comes to his aid. It allows him to not only levitate above the surface and move quickly but also hover high above trains for a short period of time until the charge in the battery drops. 3D game with arcade and runner elements, with convenient controls and dynamic arcade mode. To control the game, you will need to constantly use swipe movements and sleight of hand. Running away from law enforcement officials, you will have to work hard. After all, trouble never appears alone. In addition to the significant police officers who are pursuing you, the risk posed by trains traveling in the opposite direction will also be a constant threat to you; this is why your mother warned you against playing on the railroad tracks. However, having more fun online is

preferable to reality because you can always try again if something goes wrong. Since Subway Surf is an online game that you may play for free, your only restriction on how many attempts you make is your own desire. And because of this, you do not need to pay close attention to how much time you spend enjoying this wonderful entertainment.
