### **3. apostas esportivas bilhetes prontos :sport fortaleza**

## **Decidiendo el lugar del Reino Unido en el mundo: una perspectiva brasileña en portugués**

Decidir sobre el lugar del Reino Unido en el mundo ha sido como ver a los políticos hacer girar una rueda. Y seguir girándola cuando la opción en la que aterrizan no funciona. Primero fueron las proyecciones de poder imperial de Brexit, la reafirmación del lugar del Reino Unido en el mundo sin las limitaciones de una asociación igualitaria con Europa. No se escucha mucho al respecto en estos días (curioso que sea así). En su lugar, ahora nos encontramos en una era abatida por el embrollo vergonzoso del pasado few años, pero aún tratando de averiguar dónde encajamos, qué rol tenemos, en un mundo donde el estado de la nación ha sufrido un revés.

### **Reemplazando el Foreign Office: una propuesta de diplomáticos retirados**

A principios de este mes, exdiplomáticos propusieron que el Foreign Office sea abolido por completo y reemplazado por un nuevo Departamento de Asuntos Internacionales. Como está, el Foreign Office funciona como "una oficina privada gigante para el secretario de Relaciones Exteriores" y debería ser reemplazado por una nueva institución independiente, una "menos arraigada en el pasado". La nueva entidad propuesta sería un lugar más moderno. El arte colonial desaparecería, al igual que otras formas obsoletas de trabajar y pensar en la política exterior.

### **El papel del Reino Unido en el mundo: progresismo realista**

El parlamentario del Partido Laborista, David Lammy, sugiere "realismo progresista", que lee como una aceptación del nuevo lugar del Reino Unido en el mundo, pero con una dosis adicional de desinversión en cualquier tipo de valores subyacentes. O como Lammy mismo lo pone, "la búsqueda de ideales sin ilusiones sobre lo que es alcanzable". Este nuevo realismo progresista reconoce que el Reino Unido aún tiene algunas jugadas que hacer. Es un miembro permanente del Consejo de Seguridad de la ONU y la sexta economía más grande del mundo, y "nuestras universidades, sector legal, creativos y negocios siguen siendo líderes mundiales". Estas grandes fortalezas pueden ser aprovechadas para que el Reino Unido vuelva a ser un jugador, pero sin ilusiones de grandeur.

### **Reconstruyendo la identidad nacional: más allá de Brexit y el realismo**

Estas propuestas solo niblan en los bordes del problema. Es imposible tallar un rol para el Reino

Unido en el mundo sin antes reconciliarse con lo que se ha convertido en casa. El pasado colonial del Reino Unido no es la única cosa que ha sido consignada a la historia. Esta nueva nación progresivamente realista y moderna que los responsables políticos intentan proyectar en el mundo también es una fantasía. La presencia exterior de un país en el mundo se construye sobre las bases de su estado nacional. Y después de años de desfinanciamiento y reducción del dominio público, ese estado es uno debilitado y amansado, irreconocible en las búsquedas de "optimismo" de Lammy.
