Gerardo always knew he had a knack for numbers and analysis, but it wasn't until he started working at a local bookstore that he discovered his true passion for sports betting. Pouring over statistics. He spent hours studying the odds and outcomes of various sports events, fascinated by the combination of luck and strategy involved. Before long, his hobby turned into a profitable endeavor. As he started placing bets and winning, word began to spread among his friends and fellow gamblers about his uncanny ability to predict outcomes. Soon, people were seeking him out for advice, and he became known as a go-to source for those looking for tips on sports betting. As his popularity grew, so did his bankroll, allowing him to take bigger risks and earn higher payouts. However, Gerardo never lost sight of his priorities: he continued to study hard, building his skills, developing and refining his strategy. At the end of the day, it was his reputation on the line with each bet he made, and he wasn't about to compromise that by becoming complacent. His success led to some great opportunities, including an invitation to join a well-respected sports betting community. At first hesitant to join a community, Gerardo found that being a part of a supportive gang was just what he needed to enhance his skills even further. He learned tips and tricks from other members, and even shared his own knowledge and insights, creating a community in which everyone could gain. Ultimately, Gerardo's prowess in sports betting paved the way for a lifestyle he never thought possible. Through his involvement in an online community and putting his analytical mind to good use, Gerardo demonstrated to everyone the tremendous possibility of success accessible through sports betting. He knew, however, that understanding never ends, and was determined to stay current with sports chances and changes in order to keep winning. Desbureau Justesen was hooked. Betting on sports had become an addiction, to the point where he was placing bets on games he had no business betting on, like NHL hockey. He started listening to his anxiety, Desbureau began to lose partial control of his habit. He continued to place more and more aggressive wagers in an attempt to make up for his losses, and yet continued to lose. It was a vicious cycle, and he knew it. His loved ones noticed the toll this was taking on him and tried unsuccessfully to intervene. Eventually, doing so turned into too much even for him and he was helpless to stop. While he tried to reign it in, he was no longer concerned with winning or making smart plays. He was well and truly hooked. He was consumed by his next fix. When bonus rolled in from one of those sweet books, there was no stopping him. He started taking progressively larger stakes to satisfy his habit, and before he knew it, Desbureau was wagering irresponsibly large amounts, squandering his savings on lengthy shots because he could not say no. His bankroll was almost depleted when he came back to play in 2014. In addition, Boston-based DraftKings gave example odds of +3300 (implied 15% probability) for every game that year. A few third season passed during which he realized just what a disaster he made. Staying committed to the cause, still he ent himself, as the bible says, "let this cup pass from me, nevertheless, not my will but may the will of God, the Betting god". After losing everything, despite losing what a little shame he has, he was ready to move on. But it wasn't ever, so, a solution presented itself; rather than bet actual money and face irresponsible risks, he could apply his knowledge and system to producing material as a content creator. In July 2024, he resigned from his last legitimate job at age twenty-five, declaring it was, "time for me to start my true calling." After a breakdown later that fall, he made the worst decision of his life after joining some gambling discord groups in October 2024. Although early win streaks had him feeling invincible, by January 2025 Desbureau was nearly R\$30,000 deep in online betting illegal indebtedness.

after misusing his savings trying to one-up his last longshot (+260 newhampshire vs. the field! - a waste of a great drivein). from time to time, hellip M; release ,for he realized something- this behaviour was not healthy and did not advance the development of self as a young adult male. after finding solace in kit aa number ebeginners site (for non addict gamers), DesBage mayaged to reclaim control ofhi s life; though no without, a year later his parents had almost successfully talked him into placing R\$1500 surety bond to be U.S .taxpayer funded disability for supposed bipolar disorsde' that he "may" live wit for the rest ofhis life without losing massive productivity . after tax season 2026, though, he committed to taking charge of his financial well-being and being fruient. Witho cutting back nearly a whole xanax daily- which amount helped him achieve functional alcoholicsm at most, in all actuality -a miraculous thing happened- on nov 17th, he made choice to abandon ship via an sos bet on Barcelona that spanied beyond control - his first and last high - a last aton - to rid his addictionfor smoking afterall, he now had money to buy proper nutrition! it took four decades for Christ to wean him off that other thing. and another twenty years to legalize optionsin canada. Finally though,after 9 years spent "traversing the hell of in2 vices," (dating back jan 18 2014), Desbage M-managed turn over a new pepper he, despite relapses, has refused fully sincef. march 12, 2024 , he tethered his ambitions solely to content production for sports-wagerinf media an affiliate marketing on his channel; desbagdoesodds aka bagodds.now officially "cleand ayb no means off bet365 s apps ,strange as it sounds, since placing that sos Barcelona bet in nov 2024, never bet with real cash againnn even better, made numerous close connectionswith uears of knowledge learned in so called "degenerate community's to share his message with anybody eager enough to take action in finance or gambling gselves since 3 of desbagw's 4 irl friends wew former compulsive gamblers who hit thiefshare of rugs once sponsorships , loyalty programs. never evet was enough of a reason to gamble; unless they took someoene for life or alimony of which you chose poorly thus creating many bad bets just so an addiction culd progrss. until people pleyed them willy-nillily, Desbage realized his 4 year degree from Purdue was partially unfinished even into the 2026-year, with still no immediate family even remotely in or closely connected to the field. His heart wants more, but time was nveritting. then covid, a wake-up call to seclude wanderers and vagrants alike who did.t do basic work like normal; when he stumbled upon Hos tip's on "finding great vaulu at low priced ufc fight odds" on ufcmma odds's channel, des knew this was the remedy to beat his own addiction: his pdodcast, launch date: nov 18. 2024; first video titles; "ufc 280 O' main ods, early analysis". it;s early beginnings: mid last year hd began pumping out daily MMA betting content fr himself and another small clique affiliates. after this milestone birthdqy came plans for up their personalized web properties; content rich mobile applications. after introducing them ala chatbox. this allows guests a means t interact with Bagz . ever more curious he grew about this lucrative, underground financial district in Latin America; its implications for you , me , Bagods. eventually, in secret he produced rss content daily but kept it from family , especially those damn discord bar flyer boys.. this lasted until this date ( march 3 ,2024) and from october until Today, since covid lifted, he could no longer continue lying to loved ones and would go mute until kick out time; he managed to organize a fuit on nov. 2 , 2025. no joke considering his mother would mock him constantly upon his weak attempts to expore a gambling community online without turning down a deall that could serve food locally , for bit. poor bagods struggled to hold his head high around girls , family particulas ta great aums who took his situation as in interesting chat up line than reality and a damn shame , a less adorable charming-shady-dave style player for click bait than reality. could i help Desbage grow a following and begin to " sell dreams" abt our great channel while setting everything up in Costa Rica's newfound crypto zone soon on the block of it all , slowly the days ran out for regular sporting events because of lockdowns global. time flew ! and thus Bagods hunker d down workin remotely, not putting his ambitiong to pursue top percentile wealth to rest while continuung bagods to stay on brand. having already served his purpose these gems- will make hundreds more bagods from broken homes believe . we want our millions too and sportsbooks refuse to use our tire d methodology, (3% or less) also you wish to pay proper, create social credibility while helping friends escape those dark addict months i. Desbage simply decided " who we ". finally,

### **¿Por qué es más fácil recordar que he olvidado algo que recordar la cosa misma?**

Por John Gray, York

#### **Respuestas de los lectores**

Agarraos, sé que esto... **sparklestthewonderhen**

Porque uno es un concepto y el otro es un detalle... **Andyyouwillknowme**

Considera afortunado de poder recordar que has olvidado algo... **ItsBouquet**

Si has olvidado algo que sabías que tenías que recordar, pensar demasiado en ello no te ayudará. Vuelve a ello en 10 minutos, si recuerdas hacerlo... **Edricom**

A veces la gente BR la expresión "olvidé" como una excusa. Mi respuesta siempre ha sido: "No olvidaste, recordaste olvidar". **Richard Dopson, psicólogo jubilado, Vancouver, Canadá**

¿Te suena eso de atar un nudo en un pañuelo y luego no recordar por qué lo hiciste? Muchas cosas pasan por tu mente. Estás manejando muchas bolas en el aire, casi seguro que olvidarás una de ellas y solo te acordarás cuando se rompa el patrón. Necesitas una ayuda específica para la memoria, en lugar del nudo en el pañuelo. **MrCassandra**

Aún peor es recordar que olvidaste hacer algo, recordar qué es lo que olvidaste hacer, volver a hacerlo y descubrir que ya lo has hecho pero habías olvidado que lo habías hecho. Creo que

esto me pasa con más frecuencia, pero desearía estar seguro. **BelowTheTideline**

Podría estar equivocado, pero tiendo a pensar que no somos, en general, más olvidadizos con el tiempo, sino que damos más importancia al potencial de olvidar (y pensamos lo peor). No tengo pruebas para sustentarlo, pero no estoy seguro de que de repente haya olvidado recordar las cosas. Solo creo que, a medida que envejeces, tu predeterminado natural es preocuparse de que tengas alguna enfermedad degenerativa porque es lo que nos meten a la fuerza. Por supuesto, hay personas con problemas, pero la mayoría de nosotros probablemente se asustan sin razón.

Trabajé con alguien que llegó a la posición en la que se convencía de que había dejado la puerta de la casa abierta o el horno encendido. Volvía a casa. A veces pienso esto, pero mientras en la confianza de la juventud lo habría rechazado instantáneamente, ahora realmente dudo.

Convencerme de que mi duda es una tontería y, voilà, cuando llego a casa, tengo razón.

### **HeathRobinson**

Cuando no puedo encontrar mis anteojos, a menudo olvido recordar, mientras deambulo aquí y allá, por qué los quería en primer lugar. Cualquier octogenario como yo estará de acuerdo.

### **RPOrlando**

Le digo a mi gato imaginario. Si tuviera un gato real se lo diría, pero no lo tengo. Puedo no recordar hacer algo, pero si le digo a mi gato imaginario que lo he hecho, entonces lo recordaré.

Raro, ¿eh? **Easytiger77**

El cerebro probablemente recuerda casi todo lo que nota, pero necesita ayuda para recuperar esa información en un momento posterior, especialmente cuando la información no se etiquetó como importante. Solo porque algo es "urgente" o "debe hacerse" no significa que tu cerebro la clasificará como importante; puede ser algo que no te apetezca hacer, o no estés seguro o preparado para ello, en cuyo caso otro mecanismo puede incluso estar tratando de ayudarte a no recordar. Por lo general, recordarás las cosas que son importantes para *ti* o que *quieres* hacer.

Para las demás, tienes que enseñarte a recordar mejor, a través de etiquetas, juegos, asociaciones, etc.

Piensa en todos esos problemas de punta de la lengua: saber que sabes, pero no poder encontrar la respuesta en ese momento. A menudo, tu cerebro sigue buscando cuando has renunciado, entregando la respuesta más tarde. **Michael**

Un vecino nuestro nos dijo una vez que tiene pastillas para ayudar con la memoria, pero olvida tomarlas. Creo que *estaba* bromeando. **dargie**

Una razón muy común para la pérdida de memoria a corto plazo es que la evolución nos ha entrenado para borrar nuestra memoria a corto plazo cuando entramos en un nuevo lugar, para que podamos evaluar los peligros. Estamos desplazando nuestra atención de la memoria a los alrededores inmediatos, por lo que olvidamos algo, pero sabemos que hemos olvidado algo porque estamos en un nuevo lugar y debimos haber ido allí por una razón.

Por ejemplo: estoy en el salón y quiero cortar una etiqueta de una camisa que acabo de comprar, pero sé que las tijeras están en la cocina. Cuando entro en la cocina, borro mi memoria a corto plazo porque estoy desplazando mi enfoque al nuevo entorno para buscar amenazas - ratones, ratas, serpientes. (No, mi cocina no está tan asquerosa ...) Aunque ahora he olvidado por qué vine a la cocina, sé que lo hice por una razón; ¿por qué más estaré allí?

La forma de recuperar mi memoria es rehacer mis pasos. Esto introduce el paradójico que al moverme al lugar antiguo, que ahora es un nuevo lugar, vuelvo a borrar la memoria a corto plazo. La diferencia es que, porque estoy de vuelta donde empecé, hay un recordatorio físico de mi intención original para desencadenar la memoria, así que recuerdo por qué fui a la cocina porque puedo ver el elemento ahora requiere tijeras. **MrNorrisChangedEmail**

Podría ser algún tipo de problema de relación trágica. ¿Has considerado una carrera como letrista de música country? **Andrew Carroll**
