I've hiked thousands of miles in all sorts of terrain.

From the deserts of southern California, to the pine forests of Colorado, I've hiked in just about every clime and place! Part of what I enjoy about hiking is the competitive feeling I get from it. From time to time, I like to race my hiking partners (or myself) to see how much faster I am at getting to a given objective.

This element kind of makes it seem like hiking is a sport.

But is hiking a sport? Despite the competitive nature that you may have with yourself or your hiking buddies, hiking is not truly a sport.

Welcome to Oddspedia, your number-one destination for sports! Oddspedia gives you all the sports information and odds in one handy place along with helping you make educated betting decisions. Our goal is to make Oddspedia your number-one sports companion.

At Oddspedia, we make it super easy to find scores, game times, and results for all your favourite sports, including football, tennis, and basketball! Our live scores service is fast and accurate. You can keep up with the game in real time like you're there. Also, we cover more than twelve thousand competitions in over thirty sports! Not just the big leagues but even tiny amateur ones. Plus, we let you know where to watch upcoming football matches live.

There are plenty of reasons why Oddspedia is an excellent place for betting and live scores. Stick around, and we will show you why!

Explore Live Scores Today and Live Match Data

Oddspedia is here to serve you all the sports data and odds you need quickly and efficiently. Our home page shows the most popular games today, all based on your location. We believe in giving you your own unique sports experience.

You'll always find the sports and leagues that you are looking for. Plus, you can choose your favourite competitions, teams, and players in your profile, and we'll always show you their games and live scores.

Football Livescores

Football Live scores and the latest results are just a click away. We've got scores from the UEFA Champions League and top leagues like the

Also, we cover leagues worldwide, like the Eredivisie (The Netherlands) and Brasileiro (Brazil).

Not to mention tournaments like the FIFA World Cup, The Euros, and The Copa America.

Tennis Scores

You will never miss a breakpoint or match-winning serve thanks to our live tennis coverage. All the live scores from ATP and WTA Grand Slams, including Wimbledon, are in easy reach.

Our tennis coverage goes far beyond the major tournaments, with information freely available for domestic and international competitions.

Basketball Points Scoring and Leaders

Stay close to the action with our live basketball updates, including every three-pointer and slam dunk.

A fan of the BBL or NBA League? No worries, we have you covered with one of the most extensive basketball coverages on the net.

Rugby Scores

We cover comprehensively both codes, 13 and 15-man games, so you can get your complete rugby fix with us! Thus, you can follow scores from rugby union leagues such as the Gallagher Premiership, URC and Top 14. And not to mention Super Rugby from Down Under.

As for Rugby League live scores, the NRL and the Super League lead the line, as you would expect.

Live Cricket Scoreboards

Don't miss that big knock, boundary or fall of wickets with our live cricket scoreboards. From First Class cricket to ODIs, T20s and the Hundred, all formats appear on oddspedia.

With live coverage from the Indian subcontinent IPL, WPL, PSL and more. The Big Bash from Australia and MLC from the USA. And not to mention from the ECB, the County Championship, Validity Blast and The Hundred, we are indeed a global cricket site.

Esports Live Scores and Kills

As for the new kid on the block - esports - live updates and scores are also available to our users. Including Dota 2, Counter-Strike 2, League of Legends and other game titles.

We also cover premier tournaments like The International with live updates and custom content for the annual contest, odds and tips!

Don't worry if your favourite sport is not above. We haven't forgotten about Darts, Snooker, and bowls – we have live scores and results for those and 20-plus other sports, too!

What Makes Oddspedia's Live Scores and Data Stand Out?

Why are Oddspedia's live scores so fantastic? Is it because they're updated so fast? Or because we cover thousands of games all over the world? It's all of these and even more!

At Oddspedia, we offer a whole lot more than just the score. We update the information on live games in real-time. So you will get instant notification on goals, who scored and assisted, lots of live stats, and even live-stream info. Plus, we keep a complete history of live scores, including tons of live stats, game commentary, and how the odds changed.

Also, with our resources, you will know immediately if any games have been called off or delayed. Whether it is an NHL game or an IPL Match, we cater to all sports and tournaments.

At Oddspedia, we share sports facts and figures from our database and big sports data

companies. This way, sports fans and bettors can get all the needed numbers to gain an edge in their betting endeavours. Our team works hard to make our site simple and easy to use. We have information to help all sports fans, covering tournaments and competitions in over 30 sports, from popular ones like football and tennis to volleyball and bowls. For instance, our football data includes facts and stats for over 2,000 leagues and cups across 130 countries. Our website has information on leagues, teams, and even referees. You can look at a team's win and loss record and the number of goals scored. Even more, you can compare head-to-head stats. Furthermore, we track betting info like over/under, correct scores and corner stats. And the best part? We regularly update, and some data, like live scores and statistics, is even updated as it happens.

Moreover, we also give you tips on teams and players during live matches. Coming from a massive bank of detailed statistics on over 300,000 players and 157,500 teams. Oddspedia's stats can make your betting choices smarter and based on accurate data. Instead of just guessing, it's like making a wise choice with all the facts.
