Live blackjack as fast as you like

Evolution Live Blackjack is the fastest, slickest, richest-featured online Blackjack game available anywhere. Everything's optimised perfectly for the best possible playing experience on desktop and mobile – and on the largest selection of live tables or at dedicated tables created exclusively for any operator.

Our numerous Blackjack variants meet the needs of both experienced and new players. Providing even further choice and variety are unique new takes on Blackjack, such as our fast-paced Speed Blackjack, as well as our Infinite Blackjack games. Most Blackjack tables are based on our regular seven-seat Blackjack with the option to Bet Behind, while all our games in the Infinite family offers unlimited seats at the table.

**LIVE BLACKJACK** As fast and as fun as it gets, our standard seven seat Blackjack offers the largest number of standard and VIP tables from a single source for players on multiple devices. It's the fastest, slickest, richest-featured regular online Live Blackjack game anywhere. Endlessly entertaining, with added-value features such as optional 21+3 and Perfect Pairs side bets, plus initial decision, Bet Behind and a 'DEAL NOW' button to quicken the pace and pulse still further and add huge scalability. Our friendly, professional dealers greet players and interact throughout the game. Players take their virtual seat and try to achieve a hand that's closer to 21 than the dealer's hand. It's really simple to enjoy the game with its choice of optional Insurance, Double Down and Split Pair bets. Our Live Blackjack tables include a wide range of tables from low stakes up to VIP to suit all player types.

**SPEED BLACKJACK** Speed Blackjack is our fastest Blackjack yet and the latest addition to our Speed family of games! The game follows the same rules as regular Blackjack but with a key difference – the dealing order when it is time for the player to make their decision. Each player's first two cards are dealt as normal. When the dealing is complete, all players are simultaneously offered the opportunity to Hit, Double Down or Split. The player who makes the fastest decision will get their next card dealt first.
