Players entering the lobby of PokerStars Casino could easily be overwhelmed by the sheer variety of games on offer. There are more than 1,300 PokerStars slots available and the number is always increasing.

So, to help you find your way quickly to some of the best and most enjoyable PokerStars slots, we've put together the following top ten list.

The best slot for you personally will always take into account things like your bankroll, personal taste, and preferred slot strategies. However, this list should give you a jumping-off point. These games are — in our opinion — a representative sample made up of ten of the best slots that the PokerStars casino app and site have to offer.

Read on to find your new favorite PokerStars Casino slot.

1. Starburst

Starburst is one of many NetEnt products that PokerStars Casino offer players on its site. This gem-themed slot is a fairly straightforward slot with three rows, five reels, and ten win lines.

The simple rules and basic gameplay make it a good representative slot. There's a little visual flare thrown in by the cosmic background and bright symbols without the visuals overwhelming an otherwise minimalist experience.

The return to player (RTP) of 96.1% is pretty squarely in the mid-zone for online slot games and the relatively low volatility means the swings won't (on average) be too high.

2. Gonzo's Quest

Gonzo's Quest is one of many classic slots PokerStars has made available on PokerStars Casino. Something about the game connects with players, be it the jungle setting, the Aztec treasure-hunting theme, or the cheerful cartoon conquistador of the title who joins the player from the beside the reels.

This is a great slot for anyone who wants something with a bit more story and atmosphere, while still keeping the gameplay simple and easy to follow.

3. Jumanji

Jumanji is a popular slot based on the 1995 movie classic of the same name.

Fans of the movie will be able to slip into the familiar world of the jungle creatures around which the game's symbols and four bonus games are based. There are four of these animal-based bonuses and the variety of bonus games is one of the big appeals of the game.

They keep gameplay fun and varied, offering the potential for big winnings to anyone who can survive the stampede or swamps.

4. Divine Fortune

The classics are a classic source of themes for slot machines, and no pantheon gets as much use as the ancient Greek's (apart from maybe the ancient Egyptian's).

Divine Fortune is a great entry to this Hellenic lineup with top-quality graphics, two bonus features (both based around Pegasus), and a massive jackpot bonus.

This makes it one of PokerStars Casino's best slots.

5. Ashoka

Ashoka is not to be confused with the similarly named character from the Star Wars universe. Instead, this slot game, available on PokerStars Casino, is based around the ancient Indian emperor instead. Putting statues of Hindu gods by each of the reels.

One of the game's big appeals is how it riffs on the standard reel format, adding a twist by using a cascade system that expands the number of symbols on the reels used in a win.

The slot is also very volatile, providing players who like to take big risks a chance to chase big rewards.

6. Diamond Stars

Some players love complex slots with lots of bonuses, bells, and whistles. Other players yearn for the simplicity of the old one-armed bandits. Diamond Stars does its best to split the difference.

The front end is shiny, 3D rendering of a basic fruit machine built around a simple format of three reels each with three rows. However, Diamond Stars on PokerStars Casino slots, still sports a randomly triggered progressive jackpot game that is played on a three-by-five playing area and which you can trigger on any given spin!

7. Blitz Joker

Blitz Joker is a PokerStars slot exclusive available only on the PokerStars Casino. Played on a small set of reels, Blitz Joker strips back even more complexity than Diamond Stars, sporting just a basic free spins bonus on top of the base game.

It's a great pick for those who like to keep things simple and focus on the fun of quick and simple spins.

8. Fishin' Frenzy

Fishing is a natural metaphor for slot machines, both involve taking on a process in which luck takes the steering wheel. Trying the same simple zen-like activity over and over until it pays off or it's time to pack up your reels.

Fishin' Frenzy makes that metaphor concrete, with a cast of cartoon sea life, an ocean setting, and fishing rod symbols galore.

Prospective anglers can soak up the chill vibes of a fishing outing, while still enjoying the thrill of slot machine wagering.

9. Tomb of Ra

Slots are deeply enamored with the legally-distinct-from-Indiana-Jones genre, in which a fedora-topped hero searches Egyptian ruins, while you spin hieroglyphic reels.

One of the best of this highly specific, yet prolific, genre is Tomb of Ra. A female Indiana Jones type is on the hunt for the next pharaonic sarcophagus of gold through temple ruins drawn for the player under flickering torchlight.

The real appeal of the game is less in the vague story as in the combination of quality graphics, an exciting Mystery symbol mechanic, two bonus games, and the ongoing collectible features.

All of this adds up to varied gameplay that keeps you engaged with every spin.

10. Eye of Horus Megaways

No list of best games would be complete without at least one example of a Megaways slot. Megaways is a licensable and re-skinnable slot format that randomizes the number of symbols on each reel. This is coupled with an anyway wins system (where symbols simply need to be in adjacent reels to win, rather than falling on specific winlines). The result is a game in which the number of ways to win can vary massively from spin to spin.

One of the best Megaways games to play once you have completed your PokerStars Casino download is Eye of Horus Megaways. This takes the art assets from the popular Eye of Horus game and applies those visuals to a Megaways layout. The result is a solid slot with fabulous visuals and great gameplay.
