contente:

Free play refers to a specific type of promotion that is offered by some casinos, in which players are given a certain amount of money to use on certain games, usually slot machines. This money is not real money, but rather a form of "play money" that can be used to play the games but cannot be cashed out or withdrawn.

[be 1 bet](#)

A Free Play is a bonus play that allows you to place a bet without any risk. For example, if you place a R\$55 real money wager at -110 odds, this will be risking R\$55 to win R\$50. However, with a R\$55 Free Play, there is zero risk so this becomes R\$0 to win R\$50. If you lose, there is no change to your real money balance.
