## Juiz determina que Brian Wilson, fundador dos Beach Boys, necessita de conservadoria

Um juiz decidiu que o fundador dos Beach Boys e lendário músico Brian Wilson deve estar sob conservadoria pessoal e de saúde devido a um "transtorno neurocognitivo significativo", conforme a avaliação de um médico.

O juiz Gus T May, do Tribunal Superior de Los Angeles, autorizou a petição apresentada pela

família e o círculo interno de Wilson após a morte de bet 01 esposa, Melinda Ledbetter Wilson, que cuidava da maioria de suas tarefas e assuntos.

## **Artigo relacionado: Estrela dos Beach Boys, Brian Wilson, tem demência**

May determined that a conservatorship is necessary for Wilson's personal and medical decisions, as evidence indicates that Wilson consents to the arrangement and lacks the capacity to make healthcare decisions.

May appointed two of Wilson's longtime representatives, publicist Jean Sievers and manager LeeAnn Hard, as his conservators. There were no significant objections raised.

Two of Wilson's seven children, Carnie and Wendy Wilson from the singing group Wilson Phillips, requested through their attorney that all the children be included in a group text chain about their father and be consulted on medical decisions. The judge granted the stipulations.

A doctor's declaration filed with the petition in February said Wilson has a "major neurocognitive disorder", is taking medication for dementia and "is unable to properly provide for his own personal needs for physical health, food, clothing, or shelter".

Sievers and Hard have had a close relationship with Wilson and his wife for many years. The court-appointed attorney, Robert Frank Cipriano, said Wilson acknowledged the need for the conservatorship and trusts the judgment of the two women.

Cipriano's report to the court said he visited Wilson at his "impeccably well maintained residence in Beverly Hills", where he lives with two daughters and a long-term live-in caregiver.

Wilson can move around with help from a walker and the caregiver, Cipriano said, and he has a good sense of who he is, where he is and when it is, but could not name his children beyond the two that live with him. He said Wilson was "mostly difficult to understand and gave very short responses to questions and comments".

The family statement at the time said the decision was made to ensure "there will be no extreme changes" and that "Brian will be able to enjoy all of his family and friends and continue to work on current projects".

Judges in California can appoint a conservator for a person, their finances – referred to as the estate – or both, as was the case with Britney Spears. Spears' case brought attention – much of it negative – to conservatorships and prompted legislative changes.

The Wilson petition did not seek a conservator of the estate because his assets are in a trust, with Hard as a trustee.

Wilson, one of the most deeply revered and acclaimed co-founders, producers, arrangers, and chief songwriters of the Beach Boys, has struggled with mental health and substance abuse issues throughout his career.

He was inducted into the Rock and Roll Hall of Fame in 1988 along with his bandmates, including his brothers Carl e Dennis
