Como funciona o bônus da Netbet?

A Netbet oferece um bônus de boas-vindas exclusivo para novos usuários da plataforma de apostas online, o

bônus de depósito

. Isso significa que a Netbet equaliza o valor do primeiro depósito do usuário até um certo limite. No entanto, antes de você poder sacar as ganâncias, é preciso atender a algumas condições, como atingir um número mínimo de apostas e um valor mínimo de desembolso.

Como aproveitar o bônus de depósito e bet 365 empresa porcentagem

24K Dragon: Slot Overview

The title might sound like it comes from an Asian themed slot, conjuring up {img} of golden 5 beasts wrapped around green or burgundy reels. However, Play'n GO's 24K Dragon is based on the mythical creatures populating fantasy 5 literature or movies. The name actually has more to do with potential wins, rather than metallic purity. It means there 5 is more going on here than first greets the eye, in more ways than one. As well as extra meaning 5 in the title, 24K Dragon also has features which expand rows and win ways.

The game's bright 5-reel, 1,024 win ways 5 action area sits in

a cavernous space, where a fortune in gold lies piled around stone pillars. The view is 5 similar to the mountain of gold Smaug slept on in the Hobbit film. Then again, many dragons slept on treasure 5 hordes in fiction, so it's an apt location. Equally apt is the dramatic soundtrack, heavy on the brass, which sounds 5 like a dragon taking flight to spread terror amongst the common folk. You can easily close your eyes to picture 5 Dany on top of Drogon as the beast lays waste to King's Landing.

24K Dragon is

available on all devices, offering 5 a standard range of Play'n GO bets from 20 p/c to R\$/€100 per spin. Players get a default RTP rating of 5 96.2%, though this could be lower depending on operators' settings. Play'n GO slots often tend to the highly volatile side 5 of the spectrum, and with such massive potential up for grabs, it stands to reason 24K Dragon's is high as 5 well. It certainly played out like that during testing where even expanding reels to their full height in free spins 5 was no guarantee of success.

All of the pay symbols involved can land stacked, consisting of five low

pay 10-A royals 5 designed in a font that wouldn't look out of place in one of Play'n GO's heavy metal slots. Then there 5 is a lion, a green gem, and a couple of crossed swords as the mids worth 2-2.5 times the stake. 5 Last up are two dragons – a silver and gold one both worth 5x the bet for five of a 5 kind.

Assisting with win frequency and value is the treasure chest wild, appearing on the middle reels. The wild replaces any 5 regular pay symbol to complete a combination, while occasionally upping the value in the base game by revealing an x2 5 or x4 multiplier.

24K Dragon: Slot Features

There are two extras to cover here - a respin feature and the showpiece expanding 5 reels free spin game. Nothing is especially new, both having shown up in past Play'n GO games in one form 5 or the other. They have been tweaked since previous outings though and can be exceptionally effective when the dragon's in 5 the right mood.

Any time a golden dragon symbol lands in the base game, a 24K Dragon Respin is awarded. For 5 this respin, a random number of 1-4 extra rows is added to the grid. These rows contain 3 symbols each 5 and sit above the middle rows. Players get a single spin with the extra rows and extra ways to win.

Next 5 is the bonus game, triggered when 3, 4, or 5 diamond scatters land to award 8, 15, or 20 free 5 spins respectively. As in the base game, free spins begin on the standard 5x3, 1,024 win ways grid. Now, when 5 golden dragon symbols land, they do not trigger a respin, but are instead collected. A meter to the left of 5 the screen tracks your progress as you go. When a certain number has been accumulated, extra rows are added above 5 the main reels in a similar way to respins, except they remain in play for the duration. The collection system 5 goes like so:

3 collected dragons unlock row 1, increasing win ways to 2,000 .
unlock row 1, increasing . 7 collected 5 dragons unlock row 2, increasing win ways to 3,456 .
unlock row 2, increasing . 11 collected dragons unlock row 3, 5 increasing win ways to 5,488 .
unlock row 3, increasing . 15 collected dragons unlock row 4, increasing win ways to 5 8,192.

In free spins, treasure chest wilds always reveal a multiplier. If more than one wild is used in a win, 5 their values are multiplied together up to a maximum of x64. During the feature, 5, 8, 15, or 20 more 5 spins are awarded every time 2, 3, 4, or 5 scatters are in view on the reels to lengthen the 5 round. There is no limit to how many free spins players can rack up in this way.

24K Dragon: Slot Verdict

Take 5 the creatures from Dragon Maiden, the style of Testament, and the reel expansion capabilities of both, then mix them to 5 get an idea of what 24K Dragon is all about. The game world has been well crafted with plenty of 5 the winged beasts to satisfy fantasy fans looking for a fix. Graphically of a fairly high standard, the stirring orchestral 5 piece adds another layer of spectacle to the game, resulting in another striking Play'n GO slot.

Moving on, 24K Dragon might 5 not be super original when it comes to gameplay, but overall, the experience does feel somewhat fresh in action. A 5 few alterations to the features help 24K Dragon stand apart from its forebears. What also makes it stand out is 5 the much higher than normal potential. Play'n GO usually stick to 5 or 10k wins like clockwork. That rule has 5 been tossed out in favour of potential up to 24,000 times the bet this time around - hence the title. 5 Quite why they decided to go so huge on this one is a mystery. While a decent game, 24K Dragon 5 doesn't feel like a flagship release or a game the studio is going to majorly hype.

All up, 24K Dragon is 5 certainly good for few spins, though Tolkien enthusiasts will get more out of the D&D visuals. Regular players can still 5 get a kick, particularly big win chasers due to the much larger wins on tap than we are used to 5 seeing from Play'n GO.
