No mundo do poker, as apostas podem ser arriscadas e emocionantes. Uma dessas apostas é o chamado "3-bet", o terceiro aumento numa rodada de apostas. Essa jogada pode ser crucial para se sair vitorioso bet 36t bet 36t uma mesa.

O que é uma 3-bet?

Uma 3-bet é um re-aumento depois de uma aposta e um aumento (raise). É o terceiro aumento numa ronda de apostas. Geralmente esta denominação é aplicada bet 36t bet 36t jogos de Fixed Limit, mas também é usada bet 36t bet 36t vez do termo "re-raise" bet 36t bet 36t jogos de Pot Limit e No Limit.

Por que usar uma 3-bet?

A finalidade de uma 3bet com uma mão de valor é simplesmente ser chamado por uma seleção decente de mãos piores para ganharmos dinheiro. Além disso, uma 3-bet pode ser usada para bloquear a continuação de aposta do oponente, fazendo com que ele folde. Essa estratégia pode ser muito eficaz se usada com moderação e no momento certo.

German football executive and former player

Karl-Heinz "Kalle" Rummenigge (German: [kahlhants kal mn]; born 25 September 1955) is a German football executive and former professional player. Considered one of the greatest German footballers, he was also the longtime Chairman of Executive Board of FC Bayern München AG, a daughter company of German Bundesliga team Bayern Munich.

As a player, Rummenigge had his greatest career success with Bayern Munich, where he won the Intercontinental Cup, two European Cups, as well as two league titles and two domestic cups. He also won two Ballon d'Or awards, in 1980 and 1981.

A member of the West Germany national team, Rummenigge won the 1980 European Championship and was part of the squad that finished runner-up in the 1982 FIFA World Cup and at the 1986 World Cup.

Rummenigge is a former chairman of the European Club Association, serving in that capacity from 2008 until 2024.

Club career [edit]

Rummenigge with Bayern Munich in 1982

Rummenigge was born in Lippstadt, North Rhine-Westphalia.

He joined Bayern Munich in 1974, coming from the Westphalian amateur side Borussia Lippstadt, for a transfer fee of ca. €10,000. He immediately showed great strength as a dribbler. His scoring qualities were initially insignificant, but would find great improvement in later years, particularly after the arrival of coach Pal Csernai in 1979. In 1979–80, he scored 26 goals and became for the first time the Bundesliga's top striker, a feat he repeated in 1981 and 1984 with 29 and 26 goals, respectively.

With Bayern he won the European Cup in 1975 and 1976. In 1975, he did not take part in the final of the competition, whilst in the year thereafter a glass of brandy sufficiently prepared the nervous

Rummenigge to contribute to the defeat of AS Saint-Étienne. In the same year he became also part of the team that prevailed in the Intercontinental Cup finals against Cruzeiro EC from Belo Horizonte.

In the era of coach Csernai he found in midfielder Paul Breitner a congenial partner and he formed such a formidable one-two-punch that they were only called Breitnigge (name invented by German newspaper Bild).

The club, then often dubbed as "FC Breitnigge", won in this period the Bundesliga title in 1980 and 1981, and the DFB-Pokal in 1982 and 1984. A renewed triumph in the European Cup was denied, when the club lost the 1982 final narrowly against Aston Villa. In the season before Rummenigge was top-scorer in this competition with 6 goals.

His substantial contribution to the successes of the club and the Germany national football team found also expression in personal honours. In 1980, he was named German Footballer of the Year and in 1980–1981 the European Footballer of the Year.

In 1984, aged 29, he was sold for a record fee of €5.7m^[1] to Inter Milan. Despite a notable beginning, in which he helped the team to compete until the end for the 1984–85 Scudetto, Rummenigge's career in Italy was mostly marred by injury problems. At the end of his contract in 1987, Rummenigge moved on to Swiss first division club Servette FC in Geneva, where he saw his career out. In his last season, 1988–89, he had his last success, becoming top scorer in the Swiss league with 24 goals.

International career [edit]

With the West Germany national team he took part in the 1978 World Cup in Argentina, 1982 World Cup in Spain and the 1986 World Cup in Mexico. In 1978, West Germany exited in the second group stage of the tournament. In 1982 and 1986, the team was runner-up behind Italy and Argentina, giving him the unique distinction of captaining the senior team to two silver medals in the FIFA World Cup.^[2]

Rummenigge also took part in two European Championship tournaments. In the 1980 competition in Italy, West Germany defeated Belgium in the final by 2–1 to win their second UEFA Euro.

Altogether, between 1976 and 1986, Rummenigge amassed 95 caps and scored 45 goals for West Germany, including one in extra-time in the 1982 World Cup semi-final victory over France, and one in the losing 1986 World Cup final match against Argentina. He also scored a hat-trick in a group stage game against Chile during the 1982 World Cup.

Style of play [edit]

One of the most talented attacking players of his generation, Rummenigge was often lauded as a highly versatile forward, capable of playing as a second striker, winger, or flat-out centre forward. His main strengths were his pace, dribbling, heading and goalscoring ability, from both close range and from outside the box. He also had a penchant for scoring from awkward situations. Rummenigge was also praised for his both-footedness, leadership and physical strength. However, his later career was greatly affected by injuries, in particular after his move to Inter Milan.

Bayern Munich management [edit]

Rummenigge (right) with Uli Hoeneß in 2013

In autumn 1991, Bayern Munich invited Franz Beckenbauer and Rummenigge to return to the club as vice presidents. Rummenigge held this position until February 2002, when he was appointed Chairman of Executive Board of the newly corporatised football department of the club (FC Bayern München AG).^[3] According to the club, "in his role as chairman he is responsible for external relations, new media, board affairs and representing the holding company on national and international bodies."

During his tenure, Bayern Munich managed to move to their new stadium, Allianz Arena.^[4] Oliver Kahn took over his CEO position at Bayern Munich from 1 July 2024.^[5] Rummenigge was appointed a member of the supervisory board on 30 May 2024.^[6]

Miscellaneous [edit]

In April 1983, the British pop duo Alan & Denise recorded a tribute song about his "sexy knees" in the song "Rummenigge". The single reached number 43 in German charts.^[7]

From 1990 until 1994, Rummenigge worked as a TV co-commentator for matches of the Germany national team.

In March 2004, he was named by Pelé as one of the top 125 greatest living footballers.

His brother Michael Rummenigge was also a noteworthy footballer. He played as forward for Bayern Munich and Borussia Dortmund from 1982 to 1988 and 1988 to 1994, respectively. He also represented Germany on two occasions between 1983 and 1986.

Rummenigge and his wife Martina have three sons and two daughters born between 1980 and 1991.^[8]

Rummenigge supports ending the 50+1 rule.^[9]

Premier League admite atrasos de VAR aumentaron en más de 50% la temporada pasada

La Premier League ha admitido a los clubes que los retrasos causados por el Video Assistant Referee (VAR) aumentaron en más de un 50% la temporada pasada, según un plan de "mejora" que se confirmará en la reunión anual general del jueves.

La reunión en Harrogate será un evento combustible y consecuente, con una votación sobre la propuesta de Wolves de abolir el VAR como uno de varios temas controvertidos en discusión. El encuentro también se lleva a cabo justo antes de que la Premier League defienda una demanda legal presentada por el campeón, Manchester City.

Manchester City: el presidente advierte que la Premier League será menos competitiva

Aunque se anticipa que Wolves no obtendrá los 14 votos necesarios para cambiar las reglas de la Premier League, las presentaciones realizadas por la liga en respuesta al club parecen confirmar un principio central de la queja; que el VAR ha causado una interrupción excesiva en el juego.

Según un resumen escrito por el director de fútbol de la liga, Tony Scholes, y visto por el Guardian, el retraso promedio en una verificación de VAR duró 64 segundos en la temporada 2024-24, en comparación con 40 segundos la temporada anterior. Scholes atribuye los retrasos prolongados a los oficiales que tardan más en asegurarse de que las decisiones sean correctas después del fallido no otorgar un gol legítimo a Liverpool en su derrota por 2-1 ante Tottenham el año pasado.

En su propia presentación de seis páginas, que ha sido distribuida a los clubes antes de la reunión, Wolves argumenta que "el uso de VAR ha llevado a una desconexión creciente entre los aficionados que asisten a los partidos de la Premier League debido a sus efectos adversos en la experiencia del partido", y que "la versión actual de VAR es incompatible con la naturaleza subjetiva de las leyes del fútbol, poniendo en riesgo el estatus de la liga como la mejor del mundo".

En la respuesta de la liga, Scholes argumenta que la introducción planificada de la tecnología semiautomática de fuera de juego debería reducir los retrasos la próxima temporada. También advierte sobre los costos de reemplazar el VAR y revela un cambio planificado en el lenguaje oficial, con la frase "claro y obvio" retirada como punto de referencia para las intervenciones de VAR. En su lugar, se introducirá el término "decisión del árbitro", con la intención de aclarar la primacía de cualquier decisión en el campo. Dichas decisiones solo deberían ser revocadas en caso de que sean "claramente incorrectas", según la nueva terminología.

Reforma de las reglas de sostenibilidad y ganancias de la Premier League pospuesta

Los planes para reformar las reglas igualmente controvertidas de sostenibilidad y ganancias de la Premier League se retrasarán. Los funcionarios habían expresado su intención de acordar nuevas reglas este verano, con propuestas que involucran un esquema de "anclaje" en su centro.

Mientras que el "anclaje" fue aprobado en principio por los clubes en una votación en abril, ha encontrado resistencia desde la Asociación de Futbolistas Profesionales, que teme que

el movimiento pueda conducir a un tope salarial de facto y ha contratado representación legal para desafiarlo. Ahora, la Premier League ha dado un paso atrás de la presentación de la gama completa de regulaciones financieras a una votación confirmatoria en la AGM y en su lugar probará el "ancoraje" y las medidas de proporción de costos de la plantilla de forma sombreada desde la próxima temporada.
