#### Description

Penalty Shooters 2 is a fun soccer game where you can pick your favorite team, try to win each match as you climb up the ranks, and win the League.

In the game Penalty Shooters 2, you are given the opportunity to represent your favorite team and even the football team of a country. So be prepared mentally to make perfect shots. No one dares to say that being a footballer is easy. especially when you're going through a rough patch to get to this risky and mind-boggling penalty shootout. A long road is about to come to an end. And now is the time to show your resilience and strong will along with your superior level. Only one final match and victory will go to the most deserving.

Penalty kicks are always risky. But it is that nature that has brought the most attractiveness that other forms of competition never have. In the penalty shootout, the team that scores the most goals after the first five innings will be the winner. However, if one side successfully takes more penalties than the other side can achieve with all of its remaining kicks, the shootout will end immediately, regardless of the number of kicks remaining.

The goal of this game is to win every match. If you do that, you'll be the champion of the year.

The first thing you need to do is choose which team you want to be a member of? The game has up to 11 tournaments on the world's top football platforms and the World Cup with a number of 32 teams in each tournament. A quantity too complete for you to choose from.

And now, you need to be with your team that has gone through three matches in the group stage.

The pressure isn't high, but don't let it go even for a second. After a series of three games in the group stage, you are now with your team into the real finals. Up to this point, every match is a final for the whole team. The media is just waiting to put you and your team on the front page tomorrow. Millions of passionate spectators poured into the field, filling the stands and anxiously awaiting the performances of the best players in the world. In each match, you have at least five shots to beat your opponents before going to the final match. A special feature of this game is that you are both a goalkeeper and a goalkeeper in a wooden frame.

In the role of a free-kicker, to score a goal, when the target red dot is running around the goal, choose the appropriate time and hold the mouse button, wait for the red dot to run to the position you choose to shoot. Release the mouse quickly. Immediately after, the ball will be kicked and the result will be displayed by a beacon in the lower right corner of the screen. Note that the opponent's goalkeeper is smart enough to remember where you shot before. Therefore, you should move the shooting position continuously through the shots.

In the role of the goalkeeper, you have to be really focused. While your team player is about to kick the ball, pay attention to wait for the red dot to appear. You have to quickly click on the closest approximate position to control the goalkeeper rushing to catch the ball there. In addition to the accuracy, the time of clicking the mouse to let the goalkeeper jump out to catch the ball is also an important factor.

All in all, Penalty Shooters 2 brings us one of the most popular online soccer games of all time. It completely conquers every player with its eye-catching graphics, immersive sound, and extremely rich team options. Try to score as many goals as possible and win the tournament.
