1993 film

Only the Strong is a 1993 martial arts film directed by Sheldon Lettich, starring Mark Dacascos. It is considered to be the only Hollywood film that showcases capoeira, an Afro-Brazilian martial art, from beginning to end.

Plot [edit]

Former Green Beret Louis Stevens (Mark Dacascos) returns to his hometown of Miami after completing military service in Brazil, only to learn that his old high school has become a haven for gangs and drug dealers.

After Stevens uses his capoeira skills to kick several drug dealers off the school property, Mr. Kerrigan (Geoffrey Lewis), one of Stevens' old teachers, sees the impact that Stevens has on the students.

Kerrigan gives him the task of teaching capoeira to a handful of the worst at-risk students at the school, giving Stevens an abandoned fire station as their practice area.

While doing so, Stevens earns the ire of the local drug lord, Silverio Oliveiras (Paco Christian Prieto), whose younger cousin, Orlando Oliveiras (Richard Coca), is one of Stevens' students. Silverio is also a master of capoeira, and he engages Stevens in combat, beating him viciously. The horrified Orlando resolves to learn everything he can from Stevens.

Stevens' class learns quickly, and they become very skilled at capoeira.

The principal, delighted, proposes a district-wide capoeira program to the school board.

After a field trip with his class, Stevens once again clashes with Silverio, who declares war against him.

Silverio's gang terrorizes the high school and sets fire to Kerrigan's classroom, resulting in the death of one of Stevens' students.

As a result of this incident, Stevens is accused at fault, banished from the school grounds and the capoeira program is terminated.

In retaliation to the attack, Stevens sneaks into Silverio's chop shop and defeats the workers before setting a cash-filled car on fire.

Furious, Silverio orders the gang to bring Stevens to him alive.

Orlando flees to get help.

After a desperate battle, Stevens is finally captured and brought to a bonfire, where Silverio awaits.

However, Stevens' capoeira students bar their path in an attempt to rescue their teacher.

Before a brawl can ensue, the exhausted Stevens challenges Silverio to single combat to win back his students.

After a grueling battle, Stevens defeats Silverio before the police arrive, sending the gang scattering in all directions.

With this defeat, Silverio's reputation as crime lord is gone.

Stevens' capoeira program proves such a success that his students graduate from high school. To celebrate, they join a Brazilian capoeira team to perform for Stevens at the graduation ceremony.

Cast [edit]Production [edit]

Though Mark Dacascos is a talented martial artist, his background is not initially in capoeira.

Just prior to his audition, he received his training from famed capoeirista Amen Santo, who was responsible for much of the fight choreography and has a small role in the film.

[2]Soundtrack [edit]

Only the Strong (Original Motion Picture Soundtrack), composed of eleven hip hop and capoeira music songs, was released in 1993 via Fox Records.

It features contributions from Jibril Serapis Bey, Marcel Branch, Patrick McCain, Donna Simon, Mellow Man Ace, Miami Boyz and New Version of Soul, as well as Kao Rossman, Scott G. , Iki Levy, Stuart S.

Shapiro, Blueblood, DJ Muggs, Kid Fury and LRoc on production duties.

The most prominent songs in the film are Serapis Bey's "Paranau" and "Zoom-Zoom-Zoom" - the latter being more well known as the theme song for Mazda's TV commercials.[3][4][5]No.

Box office and reception [edit]

Only the Strong earned US\$3,273,588 at the U.S.

box office, making only more than half of its US\$6 million budget.[1]

The film was universally panned by critics, earning a 13% approval rating on Rotten Tomatoes based on 15 reviews.

[6] Roger Ebert gave the film one out of four stars, saying, "The message of a movie like Only the

Strong, building on the fascist undertones of its title, is almost cruel in its stupidity and naivete. It's almost a relief that few people in the audience for such a film ever remember if it even had a message or not".

[7] Joe Brown of The Washington Post also wrote a scathing review, saying it "relies slightly less relentlessly on violence for its own sake than most in this genre, but the film is clumsily assembled and edited, heavy on the slow-mo, and its simplistic story plays like 'The Kids From Fame' armed with very sharp knives".[8]

Olor do mar e esterco preenchem o ar na ilha de Lamu, no Quênia, enquanto burros carregam moradores e cargas. A cidade velha de Lamu é um Patrimônio Mundial da Unesco, conhecida por preservar bwin net worth cultura Swahili.

Com poucos carros, mas quase 3.000 burros na ilha, os moradores dependem fortemente dos animais para viver e como transporte nas ruas estreitas e sinuosas da cidade de 700 anos, uma das mais antigas da África Oriental.

No entanto, aumento de burros estão morrendo de comer plástico na ilha, e cientistas temem que muitos outros animais terrestres também estejam sendo afetados pela poluição plástica humana.

Com pouca grama para pastar, burros procuram alimentos por montes de garrafas plásticas, fraldas e trapos jogados ao lado da estrada.

O proprietário de um burro bebê fraco e desidratado recentemente levou o animal ao Santuário de Burros, uma instituição de caridade de bem-estar animal. Quando os veterinários deram laxantes ao animal, ficaram preocupados ao encontrar 30 cm de plástico entrelaçado bwin net worth suas fezes.

No mínimo três burros por mês bwin net worth Lamu estão morrendo de cólicas causadas por comer lixo, mas os pesquisadores dizem que o número verdadeiro é provavelmente maior.

"Os burros comem tudo, de plásticos a roupas a caixas – tudo isso", diz o Dr. Obadiah Sing'Oei, o veterinário-chefe do Santuário de Burros. Os animais estão comendo quantidades suficientes de plástico para bloquear seus tratos digestivos, levando à fome e à morte.

"Isso traz muitos problemas ... a cólica nutricional bwin net worth burros geralmente é fatal", diz Sing'Oei.

Os efeitos da poluição plástica bwin net worth vida marinha são amplamente documentados, mas pouco se sabe sobre o efeito bwin net worth animais terrestres. Em um dos primeiros estudos do gênero, pesquisadores da Universidade de Portsmouth e do Santuário de Burros estão investigando os efeitos da poluição plástica bwin net worth animais no Quênia, focando bwin net worth burros e outros animais de carga.

Perder um burro é difícil – é como um membro da família

Os resultados completos do time são esperados mais tarde este ano. Eles gravam no mínimo três burros por mês morrendo de cólicas causadas por comer lixo, mas dizem que o número verdadeiro é provavelmente maior.

Sing'Oei diz: "Isso é nada, pois apenas uma fração dos casos de cólicas é trazida ao clínico".

"Quando os proprietários trazem seus burros ao clínico, é como último recurso." Ele diz que está "ficando rápido um crise para o bem-estar dos burros". Por o tempo bwin net worth que os burros chegam ao veterinário, Sing'Oei diz que muitos deles estão retorcendo bwin net worth dor, lutando para respirar ou incapazes de se mover.

"Se eles tivessem vindo mais cedo, talvez pudéssemos ter salvado-os", diz Sing'Oei. "Para os burros, a cirurgia no abdômen é um 'Hail Mary' – eles raramente sobrevivem."
