conteúdo:

Live Football Studio is very simple to play. Each game round you bet on either a Home Win, an Away Win or a Draw. Two cards are then dealt face-up on the football pitch-style table: one to the Home betting position on the table, and one to the Away betting position. The position that gets the higher card wins.

Olá, allow me to introduce myself. My name is Ana, a digital marketing specialist based in São Paulo, Brazil. I am here to share a typical case of how I implemented a successful online betting campaign for the Oscars 2024.

Background of the Case:

In recent years, online betting has become increasingly trendy in Brazil. With over 137 million internet users and the legalization of online gambling in 2024, the market potential is evident. I got the opportunity to be part of a dynamic team working on the online betting business targeting the Oscar 2024. The challenge was to attract and engage users interested in entertainment and sports betting in the Brazilian market.

Description of the Case:

We leveraged the hype of the Oscars by offering various odds and opportunities to bet on the winners across the different categories. We focused on creating targeted & eye-catching advertisements (landing pages, social media, email marketing) that highlighted the ease use of our platform, wide-ranging categories, lucrative odds, user-friendly interfaces, and secure payment methods.

Implementation Steps:

1. Thorough market research and competitor analysis.
2. Utilizing Google Ads and Search Engine Optimization targeting keywords related to "apostar oscar 2024" and "Oscars 2024".
3. Influencer collaborations on blogs, YouTube, Instagram, and podcasts to raise brand awareness and generate organic traffic.
4. Targeted emails and discounts promoting various promotions to the segmented user base.
5. Regularly A/B testing of landing pages to gauge user interest and adapt site accordingly.

Gains and Achievements:

1. Our site attracted more than 1 million unique visitors, with a daily increase of more than 25,000 new users.
2. Ad campaigns reached ~5% Click-Through Rate, with over 500,000 clicks.
3. Betting account registrations and total amount bet was 37% and 42% higher than projected

figures, respectively.

4. An increase from 18% to 43% in female user registration, highlighting the inclusion of newer audiences.

Recommendations and Precautions:

- It is essential to maintain and monitor responsible gaming measures.
- Local laws and regulations for online betting vary across cities, regions, and demographics. Thus, adapting and localizing marketing messages and promotional campaigns accordingly is crucial.

Insights Psychologically:

- Leveraging the Fear of Missing Out (FOMO) by providing limited-time offers, new user promos and enticing bonuses drove user actions on our websites and the app.
- Trust, ease-of-use, and security perceptions—specifically payment methods—significant factors that incentivize Brazilian bettors to create accounts and wager.

Analysis of Market Trends:

- Entertainments such as international movie premieres and music festivals, became lucrative niche markets for future promotional activities.
- The potential collaboration of social networks and sports betting providers enables cross-platform and peer-to-peer betting services.

Lessons and Experiences:

- Knowing your target demographic is fundamental for advertisement campaigns. In our case, understanding entertainment and aesthetics aspects appealing to men and women drives positive brand positioning.

Conclusion:

My experience with the Oscars 2024 betting project revealed the multitude of opportunities within diverse sports, entertainment, and e-commerce industries in Brazil, promoting the immense potential to monetize engaged online user bases. Targeting specific, relevant interest peaks through a range of digital marketing strategies and campaign adapts proved a successful approach and can be applied throughout various industries and niches across the country.

Resignación en el Burnley de Kompany tras la derrota

contra el Tottenham

Cuando finalmente llegó, se percibía resignación en Vincent Kompany. Durante casi 40 minutos de la segunda mitad, su equipo del Burnley había resistido de manera sorprendente frente a una avalancha de ataques del Tottenham. Tras anotar el gol inicial gracias a un buen remate de Jacob Bruun Larsen, el equipo de Ange Postecoglou logró darle la vuelta al marcador con goles de Pedro Porro y Micky van den Ven.

Resultado clave para el Tottenham

Además de mantener viva la esperanza de clasificar a la Champions League, este resultado también libra de presión a Postecoglou, quien se apuraba por evitar convertirse en el primer técnico del Tottenham en perder cinco partidos seguidos desde 1994. Aunque no se trató del mejor fútbol desplegado por el equipo en todo el campeonato, en ocasiones el resultado es lo único que importa.

Apretada lucha por la permanencia

El Burnley continúa peleando por escapar del descenso. Tras perder cuatro partidos consecutivos por primera vez desde el 2004, Kompany y sus dirigidos no habían perdido las esperanzas de mantenerse en la categoría al menos una semana más.

El Tottenham responde rápidamente

Afortunadamente para **Postecoglou**, el gol en contra de su equipo no duró mucho, ya que el Burnley solo aguantó durante 10 minutos. Porro empató el marcador tras superar a Dara O'Shea y marcar con furia. Con más del 80% de la posesión en la segunda mitad, el Tottenham inició el segundo tiempo decidido a controlar el juego. A pesar del intento de Johnson por anotar el gol del triunfo tras un gran pase de Son, el marcador se mantuvo 2-1.

Burnley no aprovecha sus ocasiones

El equipo de Kompany desaprovechó diversas oportunidades para empatar el juego. Jacob Bruun Larsen falló el empate en dos ocasiones, ya que en la primera disparó desviado luego de quedar a centímetros del arco. Posteriormente, el delantero del Burnley se perdió otro gol increíble después de que Vitorino asistiera con un centro. El Tottenham tuvo problemas para contener a los delanteros del Burnley, pero finalmente logró obtener una victoria muy necesaria.

Un gol en el último minuto decide el partido

El ghanés Micky Van de Ven anotó en el último minuto para sentenciar la derrota del Burnley. Con esta victoria, el Tottenham sigue luchando por clasificar a la próxima Champions League.
