Zeus Slot Machine

Zeus is a classic, but modern slot machine game that is one of the most famous in Las Vegas casinos. It was one of the first in WMS Gaming's G+ range of slots that have transformed the fruit machine games found there. Despite the age of this game, it remains a classic and one of the most loved slots in the world.

After an admirable career as the CEO of Olympus and the god of sky and thunders, Zeus shows no signs of slowing down. This silver fox is stronger than ever and has just been immortalised with its very own slot launched by WMS. Being the youngest child of Cronus and Rhea, Zeus had to work extra hard to prove himself, since we all know how parents like to compare and set our older siblings as an example.

Although married to a beautiful and powerful Hera who just so happened to be his sister as well, Zeus was far from being a loyal husband and was willing to go that extra mile if he fancied someone. Rub him the wrong way, and he was willing to go even further than that... Naturally, Zeus is the center of attention in WMS's 5-reel and 30-payline slot, while other symbols include Pegasus, Greek Temple, Zeus's hand holding the lightning, Boat, Helmet, Harp, Vase, Golden Coin, Silver Coin, and Wreath.

The lines are adjustable and the slot can be played on a single payline with just aR\$0.01 per spin or on all 30 lines with the total bet ofR\$150 - wageringR\$5 per line. It goes without saying that the winning potential is much more appealing with higher bets and pressing the bets on all 30 lines can potentially generate 2,500 coins for a combination of 5 Zeus icons in the base game. The return to player percentage is slightly under 96%, which is not ideal.

The Auto Play feature is just next to the tab which displays the active number of lines - clicking on it will start the auto mode which can be stopped in the same way, using the very same button. Just underneath the main menu icon, the players will notice two more commands which can open a classic or the quick bet game panel, enabling the players to facilitate the betting process by selecting the pre-set betting amounts, instead of adjusting them manually.

Zeus bonus rounds and special features

The Greek Temple is the Wild of the game which can replace all icons except for the Zeus hand

Scatter symbol. The combination of 3 Scatters will start 10 Free Spins – if there are more Scatters on the connecting reels, additional Free Spins will be awarded. For example, 4 Scatters will award 25 extra spins, while 5 feature icons will set in motion no less than 100 Spins.

When the feature is triggered, the gameplay will be moved onto an alternate set of reels and if the triggering combination lands again, more rounds will be added to the already existing spins. The feature will be completed when all of the spins expire.

Up to 100 Free Spins is quite generous, if, of course, you manage to land all five of the Scatter symbols. The sessions of 10 and 25 spins will have a pretty decent hit frequency, but one should not hold their breath waiting for those 100 spins to be triggered.

The graphics are weak, which is pretty surprising, having in mind that Zeus slot is not even that old – the game was released in 2014, and there are a number of much older slots with far superior visuals.

If you can get past the mediocre graphics and the wasted visual potential of Zeus, you will be glad that you were open minded enough to give this slot a chance, since the game can be quite generous. The Free Spins will be activated at decent intervals and with a bit of patience and moderate betting level increase, you are likely to finish the slot with a fair budget increase.

With the fantastic free spins bonus round, the Zeus slot machine game inspired a new generation of casino cash slot machine games in Las Vegas, including the incredibly popular games called Kronos.

When you hit a bonus in the Zeus slot machine, you are given a free spin round. During the free spins there are a lot more wild symbols and zeus symbols too, so the chances of hitting a big win are much bigger.
