E

As conclusões do relatório de Binskin sobre o ataque israelense com drones que matou sete trabalhadores humanitário, incluindo a australiana Zomi Frankcom. foram divulgada galera bet cashback 1o abril passado e publicadas publicamente por um grupo internacional da World Central Kitchen (WCK).

Os críticos avaliarão o relatório como um fracasso que reforça ainda mais a impunidade pelas ações de Israel galera bet cashback Gaza. Binskin finalmente concorda com avaliação do próprio exército israelense, concluindo-se "que não foi conscientemente ou deliberadamente dirigido" e houve uma quebra significativa nos procedimentos israelenses alvo O relato falha fornecer recomendações significativas para prestação da responsabilidade E reparação... [

O marechal-chefe do ar aposentado Mark Binskin, ex chefe da Força de Defesa Australiana foi nomeado pelo governo albanês como conselheiro especial e encarregado (entre outras coisas) examinar as medidas que Israel tomou para responsabilizar os responsáveis pela prestação das contas. A ministra dos Negócios Estrangeiros Penny Wong observou o conselho dado a ele sobre novas ações possíveis "para garantir uma investigação completa ou transparente".

Em seu relatório, Binskin disse que o governo israelense deve fornecer um "desculpe apropriado" e considerar a compensação às famílias de Frankcom. O documento tinha sete recomendações para pedir ao IDF mais cuidado com comboios humanitários e pedindo Israel qualquer atualização das investigações sobre os ataques galera bet cashback 1o abril na Austrália ndia:

Infelizmente, Binskin ecoou galera bet cashback grande parte as conclusões de Israel. Em última análise ele não conseguiu fornecer recomendações concretas para a prestação da responsabilidade confirmando que galera bet cashback tarefa era um exercício superficial desprovido do conteúdo ou qualquer busca significativa pela verdade e justiça; As autoridades australianaS poderiam estar fazendo mais no apoio à investigação independente sobre o ataque WCK há muitas maneiras pelas quais isso poderia ser alcançado:

Primeiro, solicitando à polícia federal australiana que abra uma investigação sobre o incidente. Dada a Austrália tem jurisdição para investigar e processar alegações de crimes extraterritoriais galera bet cashback guerra? não deve haver barreira legal contra um inquérito - O fato do cidadão australiano ter sido morto deveria fornecer maior incentivo ao AFP na busca desse ataque As barreiras provavelmente seriam uma falta de cooperação das autoridades israelenses para acessar evidências e coisas semelhantes, mas essas obstáculos não devem impedir a investigação. Na verdade tais barreira nunca impediu o promotor do tribunal penal internacional (ICC) da galera bet cashback investigações sobre as situações na Palestina ; nem evitaram que Austrália fosse membro dos multinacionais Joint Investigação Equipes Que conduziu nove anos galera bet cashback inquérito criminal contra os russos derrubada voo MH17 Malaysia Airlines - que matou 298 passageiros incluindo australianoS "

A Austrália forneceu mais de US\$ 50 milhões para essa investigação e 500 oficiais da AFP contribuíram com a pesquisa durante esse período. É assim que se parece dedicação à "responsabilidade total".

'Não ficarei galera bet cashback silêncio': Harris expressa preocupação por Gaza após reunião com Netanyahu - {sp}

Tal investigação AFP poderia ser conduzida com o objetivo de fornecer apoio ao Ministério Público (OTP) no TPI. O Tribunal Internacional é a única corte internacional independente competente para investigar os incidentes e outras alegações sobre crimes internacionais galera bet cashback Gaza, que podem ter sido feitas por autoridades do ICC na Palestina ou pelo governo australiano como parte da organização conjunta das investigações relacionadas aos principais casos envolvendo vários países europeus onde ocorreram as ações dos Estados Unidos contra Israel;

Em segundo lugar, sujeito aos desejos da família de Zomi Frankcom o médico legista NSW poderia abrir um inquérito coronial sobre seu assassinato. Supondo que a personagem era residente do NSW (o órgão tem jurisdição para investigar mortes "suspeitas ou incomuns" dos residentes no Estado), inclusive onde ocorreram extraterritorialmente; há precedente: O Inquérito 2007 galera bet cashback relação ao homicídio das 'Quintas Balibo' na Indonésia

Terceiro, para respeitar ainda mais a memória da Frankcom s o governo australiano deve cancelar todos os acordos com Elbit Systems (uma empresa israelense de armas que fabricou um drone Hermes 450), e lançou as greves matando sete trabalhadores humanitário.

Em fevereiro, a Elbit Systems foi declaradamente premiada com um contrato de defesa no valor R\$917m para fornecer tecnologia aos veículos que combatavam infantaria do exército australiano. luz da opinião consultivo mês passado sobre o tribunal internacional na ocupação militar ilegal Israel's território palestino; acabar este acordo é uma resposta mínima nua devemos esperar pelo governo Australiano...

Apesar da confiança de Binskin no processo do Advogado Geral Militar (MAG) galera bet cashback Israel, o país tem um registro que não investiga as alegações com transparência. Quanta luz alguma vez foi lançada sobre os ataques contra Frankcom e seus colegas enquanto eles estavam fornecendo ajuda humanitária urgente a uma população civil sitiada?

Caso o governo australiano aceite este relatório e não tome nenhuma ação adicional para apoiar investigações independentes da AFP ou do TPI, concederia total impunidade a Israel que tem como alvo trabalhadores humanitários de ajuda humanitária desde os ataques contra WCK. Dados das Nações Unidas revelam mais 200 ONU Crescente Vermelho (Red Câncer) - Mais 500 profissionais foram mortos no serviço militar galera bet cashback Gaza – Desde início dos combate

Se o governo australiano fosse sério sobre a responsabilidade, tomaria medidas para implementar as recomendações acima na íntegra.
