The games on this page have been listed for being among the best available in the industry, with great gameplay features from the most trustworthy and respected online slot machine developers in the industry. When you're considering options for getting started with the best in royal-themed online slots betting, the games in the following top five list are the best place to start betting. Below you'll find details about the graphics, RTP's, developers, payouts and special features of these top five royal games.

1. Snow Queen Riches

Snow Queen Riches, the top title on our list of royal slots, is certainly at home among the aristocracy. This slot machine, created by top developer Microgaming, features an incredible RTP

of 97%. This makes the game all the more appetizing, with its luxurious jackpot payout of 80,000 coins, giving it great odds and a huge maximum win. Played on five reels and with 25 paylines, Snow Queen Riches also includes two bonus features. The first of these involves activating the game's Snow Queen Wild symbol, which can result in multiplying your wins up to four times over, and the second gives the option of selecting either ten complimentary spins or a bonus wheel of up to 100 times multipliers.

2. Royal Masquerade

If you like your royalty-themed games with a touch of the fashionable, then the Royal Masquerade slot machine is the one for you. Made by trusted developer Play'n GO, Royal Masquerade is a lavish and decadent slot featuring minstrels, elegantly clad royals and other high-class symbols with five reels, three rows and ten paylines. This high volatility game provides an impressive RTP of 96.52%, with a maximum bet of R\$100 per spin and an excellent maximum payout of 10,000 times your betting stake! With its free spins feature and great soundtrack, Royal Masquerade is up there among the nobles for good reason.

3. The Royal Family

When you think of aristocracy, it's no mistake that your mind goes directly to thoughts of The Royal Family. Though the Royal Family slot doesn't feature the current living royals, it conveys all the trimmings of medieval royalty, with suits of armor, stained glass artworks, and crowns. The game is developed by software game creators Yggdrasil, and features some of the most smooth and seamless graphics on our list, with wild symbols featuring court jesters, knights, princes and princesses, and of course, kings and queens. Featuring a strong 96.1% RTP and a 20,000-coin max payout, this five-reel and 25 payline slot is an excellent option for lovers of all things royal.

4. Rising Royals

Nobility can be a fickle thing and subject to change, but with the Rising Royals slot you'll find yourself mounting to power in no time. Featuring themes of 18th-century French aristocracy, the game displays the proud hairstyles and ornate décor of the era in its symbols, which are laid out across five reels with 20 ways to win. Developer Microgaming's second game in our top five list, Rising Royals incorporates a solid RTP of 96.01%. The game features a formidable maximum payout of R\$75,000 with a maximum multiplier of 300x times your betting stake and a max bet of R\$250 per spin.

5. Royal Reels

This royal-themed game features something of an old-school slant to its features, with a feel reminiscent of the most classic slot games available. With five reels, three rows and a maximum of thirty paylines, top developer Betsoft's Royal Reels is not one to be slept on. The game features classic royalty symbols, from chalices, riding horses, royal figures and more. Though Royal Reels' RTP of 95.5% is by no means the highest on our list, the slot's great user ratings and 1,500-coin jackpot are more than enough reason to give this gallant game a spin.
