How to start

playing at 22Bet slots

Our 22Bet review found that it is simple to play 22Bet slots and
involves two obvious options punters can use.

1. Gamble for real money

Players must

create an account with 22Bet before they can start playing for real money. Registering
their account will get them a 122% matched bonus when they make their first deposit.

2.

Play for free

This option does not require the players to register before playing 22Bet
slots. They can jump on their favourite games and play them. However, this option does
not apply to playing for free at Live Events. Gamers can sample the games for free to
discover if they like to play some of them.

Punters can create a 22Bet account using

social media to start betting and playing their preferred games. Before doing this,
they must fund their 22Bet account through the available payment options. Gamblers must
note that the operator does not offer a no deposit bonus.

Thus, punters must make a

deposit to claim one of the bonuses and wager it 50 times to withdraw the funds earned
from the bonus amount. Our eSports gambling reviews have more on betting options.
Generally, offers on 22Bet slots are enormous, with over 50 providers and several
games.
