### Didier Deschamps sugiere que el deseo de Francia de asegurar el primer puesto en el Grupo D podría provocar el regreso de Kylian Mbappé al once inicial contra Polonia el martes

El entrenador de Francia, Didier Deschamps, ha insinuado que el deseo de Francia de asegurar el primer puesto en el Grupo D podría desencadenar el regreso de Kylian Mbappé al once inicial contra Polonia el martes. El entrenador de Francia dijo que su capitán está "listo para el combate", sabiendo que deben superar el resultado de los Países Bajos contra Austria para ocupar el primer puesto.

Deschamps pudo descansar a varios jugadores en el último partido de la fase de grupos de la Copa del Mundo de la FIFA en Catar, donde Francia terminó subcampeona, pero dijo que no está en condiciones de subestimar este partido. Mbappé no ha participado desde que se rompió la nariz en el partido inaugural de la Eurocopa 2024 contra Austria.

### Francia quiere asegurar el primer puesto en el Grupo D

Deschamps dijo que sería una situación ideal descansar a los jugadores, pero que no puede hacerlo en este caso porque no está seguro de que terminarán en el primer puesto. Francia está invicta pero aún no ha impresionado y su único gol, en la victoria contra Austria, llegó gracias a un autogol del defensa austriaco Max Wöber.

Jugador	Posición	Posibilidades de jugar
Kylian Mbappé	Delantero	Probable
Ousmane Dembélé	Delantero	Posible suplente
Antoine Griezmann	Delantero	Posible suplente
Edouardo Camavinga	Centrocampista	Posible suplente
Ferland Mendy	Defensa	Posible titular

Théo Hernandez      Defensa      Posible suplente

Mbappé marcó dos goles en un partido amistoso a puerta cerrada el sábado y ha entrenado completamente desde entonces. Está preparado para volver en lugar de Ousmane Dembélé, y Antoine Griezmann podría ser reemplazado por Edouardo Camavinga. Ferland Mendy podría ser preferido a Théo Hernandez en el lateral izquierdo.

Deschamps dijo que la hinchazón en la nariz de Mbappé había disminuido. "La razón por la que BR la máscara es porque necesita proteger su cara en caso de ciertas situaciones", dijo. "Espero que se acostumbre a ella. Es como usar las gafas 3D, pero ahora tenemos máscaras tan delgadas como sea posible".

N'Golo Kanté dijo que Mbappé había sido impresionante en el entrenamiento. "Olvidé que llevaba una máscara porque jugó muy bien, fue decisivo, peligroso. Jugó muy bien en la sesión de entrenamiento y espero que se vea en el terreno de juego mañana", dijo.

Robert Lewandowski, capitán de Polonia, dijo que el partido no será su último partido internacional y sugirió que el portero Wojciech Szczesny también podría seguir jugando. "Tengo 36 años pronto, mucha gente se preguntará cuánto tiempo jugaré, pero todavía tengo ese fuego dentro de mí", dijo Lewandowski. "Quizás algún día piense en retirarme de la selección nacional, pero veo el potencial en este equipo".
