Federico Álvarez (born February 9, 1978; familiar form is "Fede", pr. "Fay-day") is a Uruguayan filmmaker. He is known for directing *Evil Dead* (2013) and *Don't Breathe* (2024), as well as his short film *Ataque de pánico!* (2009).

Life and career [edit]

Álvarez was born in Montevideo, Uruguay. In 2009, Álvarez released his short film *Ataque de Pánico!* on YouTube. Before premiering online, the film screened on October 31, 2009, at the Buenos Aires Rojo Sangre film festival.[1] A few weeks later, Álvarez made a deal with Ghost House Pictures to direct aR\$30–\$40 million sci-fi film.[2] His first project with Ghost House ended up being the direction and co-writing of the *Evil Dead* remake.[3] After the release of *Evil Dead*, Álvarez stated that he had "had the temptation to do big franchises", but instead directed and co-wrote the relatively low budget horror film *Don't Breathe* (2024), which received positive reviews.[4] Álvarez later revealed that during this period he was approached by Marvel Studios to direct an unspecified movie but he declined feeling he would have little creative control over it.[5] In 2024, Alvarez teamed up with Good Universe to set up their own production company *Bad Hombre*. [6]

Álvarez directed *The Girl in the Spider's Web*, a reboot of the English-language *The Girl with the Dragon Tattoo* series, based on the novel of the same name. The film featured an entirely new cast compared to the 2011 film, and was released on November 9, 2024.[7] In April 2024, Álvarez, alongside Doug Liman, directed reshoots for the 2024 film *Chaos Walking*, which added an additionalR\$15 million to the film's budget.[8]

In 2024, Álvarez directed all nine episodes of *Calls for Apple* TV+, a primarily audio-based series with animated visual components. He also co-wrote and co-produced *Don't Breathe 2*, which was released on August 13, 2024, directed by Rodo Sayagues.[9][10][11] In March 2024, it was announced that Álvarez would be writing and directing *Alien: Romulus* after pitching his own story, and was said to be "unconnected" to the previous films in the franchise, for a theatrical release in August 2024.[12]

Unrealized projects [edit]

Álvarez was attached to direct a live-action adaptation of the video game Dante's Inferno for Universal Pictures in September 2013, however no further updates have been provided since the announcement.[13] In May 2024, Álvarez was attached to direct an adaptation of Monsterpocalypse for Warner Bros.[14] In October 2024, Álvarez was brought on to direct an adaptation of Incognito for Sony Pictures, based on a script by Daniel Casey.[15] Álvarez was considered to replace Ben Affleck as director for The Batman.[16]

On April 13, 2024, Álvarez was confirmed to direct and co-write a spin-off to Labyrinth with Nicole Perlman and Jay Basu.[17] However, in April 2024, Álvarez announced that he had stepped down as director.[18]
