conteúdo:

In Ancient Egyptian times, all manner of animals were revered for a variety of reasons. Dogs were important, partly because of their hunting prowess, while Apis bulls were apparently honoured with an embalming and burial process when they died. That brings us to the focus of today's review, cats, which Ancient Egyptians were said to have believed brought good luck. Oftentimes, cats are represented in online slots by the goddess Bastet, but in Cleocatra, developer Pragmatic Play has gone completely feline and made cats the stars of the show.

In doing so, Pragmatic Play has taken a humorous approach, presenting cats in an adorable way to create a chucklesome mood. The rest of the game is fully Egyptian, though, meaning sultry music, plenty of sand, desert, warm skies, and pyramids. In fact, the sights and sounds would be pretty generic if not for the clowder of cats swarming over Cleocatra's 5x4 reel set and standing guard on either side of it. Aside from the cat characters, Cleocatra is essentially business as usual from Pragmatic Play, so players can expect an almost physical-like slot experience that's as shiny and smooth running as they get.

As well as the largely familiar view comes a batch of dependable Pragmatic Play stats. RTP comes in three settings, topping out at 96.2%, though it can be found at the lower levels of 95.5% or 94.5%. In all settings, the action is highly volatile (rated 5 out of 5) and includes trying to link wild multipliers with line wins. The game provides 40 fixed paylines to do so, and wins occur when three to five matching symbols land across them, starting from the leftmost side. Any device can be used to play Cleocatra, and bets range from 20 p/c to R\$/€100 per spin.

Time for a closer look at the kitties who are used as the four highest paying premium symbols. After the four cats come an Ankh, a crook and flail tile, then 10-A card ranks as the lower value symbols. Landing a five-of-a-kind winning line is worth 1-1.5 times the bet for the lows, 2.5-3.75x for the two mids, and 5-20 times the stake for five cat symbols. Wilds can be pretty exciting in Cleocatra. They land on reels 2, 3, 4, or 5 to substitute any pay symbol. They also have multipliers of x2 or x3 when they land, which gets applied to any win they are part of. When more than one multiplier wild is used in a win, the values are added together.
