Burning Hot Slots

If you like your retro symbol slots to be a mixture of lucky symbols and fruity favourites - then "Burning Hot" from EGT (Euro Games Technology) is one of the hottest slots you're going to play this year. You can win plenty of four and five figure prizes for spinning-in your fruity favourites such as melons, cherries, oranges, grapes and lemons, whilst Lucky 7's, Lucky Stars and 4-Leafed Shamrocks are just some of the lucky symbols that can award some serious prizes.

This truly hot slot can also

be enjoyed by all types of slot players as there are a plethora of credit-bets and credit-values to combine in ways to suit your personal preferences. You can even play Burning Hot from your favourite mobile device at any EGT-powered casino sites whenever and wherever the mood takes you.

Burn Baby Burn

Whilst this hot slot is primarily aimed

at slot players who prefer to go pot-hunting rather than marvel at the brilliance of the latest graphics – it's still exciting to watch all your favourite symbols burst into flames whenever they form part of a winning line.

Get Lucky

You can get lucky at

any time, and all the fruity favourites and lucky symbols can be awarded randomly from your very first spin. There's an abundance of ripe cherries, oranges, lemons and plums to pick from the reels and these can all pay prizes of up to 2,000 coins. You'll also be chiming in with double that when you starting hitting the bells, whilst you can squeeze up to 10,000 coins out of both melons and grapes. However it's the Lucky 7's which are at the top of the spin-in wish-list with a top-prize of up to 60,000 coins.

The game also has 3 Burning Hot Bonus Symbols to find and these are the Scattered Star, the Scattered Dollar Sign, and the Lucky 4-Leafed Shamrock. The Scattered Star can dazzle you with wins of up to 2,000 coins for just 3 Stars, whilst 5 x the Scattered Dollar can win you up to 10,000 coins. Meanwhile, the Lucky 4-Leafed Clover is the game's Wild Symbol and it will replace all other base symbols on Reels 2, 3 and 4 to try and create multiple winning payable prizes.

If you're a serious

pot-hunter you'll want to take your prizes into the Double-Up Gamble Feature where correctly predicting whether a playing card will be red or black will double your prize. However, you can try and double your prize 5 times, meaning you can turn even a 2,000 coin prize into a 64,000 coin prize.

Burned At The Stake

Burning people at the

stake went out of fashion centuries ago – and there's definitely no need to get burned at the stake if you choose a credit-bet and credit-value combination that suits your budget and style of play. There are 5 set lines to play on each spin, whilst coin values range from 0.01 coins to 0.1 coin, and credit-bets range from 5 to 100.

Turn Up

The Heat

Burning hot and the rest of the slot family like 40 Burning Hot and 40 Super Hot include everyone's favourite symbols, a plethora of prizes, and 3 lucrative bonus games – isn't it time you turned-up the heat!
