## **Cerca de 47 niños desaparecen cada día en Europa, según una nueva investigación**

Un estudio reciente del colectivo de periodismo transfronterizo Lost in Europe muestra que más de 50.000 niños migrantes desaparecieron después de su llegada en los últimos tres años.

La información solicitada a 31 países europeos, entre los que se incluyen Austria, Alemania e Italia, revela que al menos 51.433 menores refugiados no acompañados fueron registrados como desaparecidos entre 2024 y finales de 2024. Sin embargo, el número real podría ser aún mayor debido a la inadecuada documentación de los casos, y algunos países ni siquiera recopilan datos sobre estos niños.

El estudio se basa en los hallazgos publicados en 2024 que revelaron que al menos 18.000 niños migrantes desaparecieron tras su llegada a Europa en los tres años anteriores.

## Un problema mayor de lo que parece:

Aagje leven, secretaria general de Missing Children Europe, una federación que reúne organizaciones de base en todo el continente, considera que el número creciente de casos reportados revelados por la investigación es un recordatorio de los muchos casos no descubiertos.

Los países contactados proporcionaron 20 respuestas, frente a 12 el año pasado, y dos países que no respondieron, Italia y Eslovaquia, tenían los datos necesarios disponibles en los informes oficiales.

La situación de los niños migrantes desaparecidos es motivo de preocupación. Según leven, "están en riesgo de ser víctimas de traficantes, o ya están siendo explotados por contrabandistas para saldar deudas o porque tienen el control sobre sus seres queridos o sus documentos de viaje."
