Nos meses que antecederam a Euro 2024, ouvimos muito sobre o entusiasmo alemão pela "visão pública das coisas". Entrevistas com jogadores frequentemente passavam por lembranças nostálgica de infância assistindo à Copa do Mundo 2006 sp0rting bet parques ou praça da cidade. Amigos locais entusiasmados pelo modo como bairros inteiros ganhariam vida no verão dos torneios se juntavam naquilo onde era agora uma experiência cultural autenticamente alemã e

you smile on all sides but silently we think:

And then, around the beginning of June the screens started to appear.

Not only the large screens of the set-piece outside the Reichstag and the Portico of Brandenburg, but also small sports betting screens everywhere. The local kebab place with three tables has a screen on top. The Italian restaurant that doesn't take credit cards called for some specialized technology next to the buildings - a 75 inch ultra HD television on the Sports

- basically outside the license - with screens on the exterior with benches where you can sit and bet on sports. The sports betting stand through the street installed a screen and six armchairs. On the contrary in England, where public viewing is basically seen as an uncomfortable monumental and intentionally restricted to those with the means to pre-emptively pay 17 pounds for hamburgers. The reason for profit is not the dominant factor: how many extra newspapers can be sold? The question here is the congregations; experience shared - football as a focal point of gathering people -- assuming instinctively that this really is a good thing!

Germany now has a team, and a climate of vibration that is worth gathering. The wave of optimism was rapid to materialize: according to Civey pollster 35% of German fans believe today Julian Nagelsmann will win Euro 2024 sports betting opposition to 15% before the initial match against Scotland. As Jonathan Tah said this week "You can say something is happening."

On the sports betting side, the squad is not in a good mood to dampen expectations. "Fans can dream; our job is to let them continue dreaming", said Nagelsmann after a 2 x 0 victory over Hungary on Thursday: Ilkay Gundogan affirmed that "our duty was to inflame even more this euphoria and when we see the enthusiasm of the fans in the streets or in the stadium this pushes us every time better sports betting field".

Many of the questions that seemed to be assailing the DFB-Elf before the tournament have evaporated.

The lack of options center-forward was perfectly answered by a unit with seven objectives sports betting two games, a new defensive solidity confirmed by the victory over Hungary and Toni Kroos is still resolutely in front of Germany during eight years to discover after this: Antonio Rudiger is very good in the first German championship!

And now for Frankfurt on Sunday night, where Germany will play Switzerland demanding a draw at the top of Group A and head until round 16 sports betting a wave of good news. The surface of the Arena is that even the reliefs were cut during the game England against Denmark on Thursday (21); A field Nagelsmann described as "a disaster" after a friend with the Netherlands last year...

Profile of Toni Kroos

The problems, it is said, stem from the two games of the NFL held in Frankfurt in November. That was the damage inflicted on the pitch that had to be repaired in winter and then immediately waterlogged by weeks of heavy rain. The effect on the quick passage of the German game must have been minimal but real: qualification can already be secure; but there is still potential to slip literally as well as figuratively

E assim há equilíbrios para Nagelmann atacar. Entre continuidade e rotação: com Rüdiger, Tah ; Maximilian Mittelst –dts and Robert Andrich todos um cartão amarelo longe da suspensão de uma única vez que as mudanças na defesa são possíveis entre convicção a complacência (como jornalista visitante durante conferência à imprensa sexta-feira), o primeiro menção do termo "Suíça" é tudo isso feito 23 minutos depois das necessidades dos funcionários).
