General Rules\n\n Any game that is postponed or abandoned before the start of play, and no play is made at all, will see bets voided and stakes returned. Unless the game is rescheduled and played the same day, bets will continue to stand.

If you have placed your bet on a player performance market and for any reason the player does not take any part in the game, your bet will be voided. This can affect bets differently depending on if they are a single bet, multi bet or a same game multi.
