The following applies to all Bonus funds obtained on the site, unless otherwise stated in the specific terms and conditions for a promotion. You agree by accepting the terms and conditions to wager 65x the amount of bonus won + any remaining wagering requirement prior to cashing out. If you decide to cash-out (withdraw) before fulfilling the wagering requirement, you will forfeit all remaining bonus funds, and outstanding promotions. For example, if you win £10 bonus from free spins and your current wagering requirement is £100, this will result in a wagering requirement of $£10 \times 65 + £100 = £750$. If there is no existing bonus in your balance or wagering requirement, the wagering requirement is calculated as $£10 \times 65 = £650$.

Only bonus

wagers contribute towards fulfilling the wagering requirement. Real money wagers do not contribute.

You can withdraw your real money balance (subject to withdrawal policy) but Bonus funds can never be withdrawn.

The maximum amount (for accounts that have made a deposit) which can be converted to your Real Money (withdrawable) balance as a result of fulfilling the bonus wagering requirement, is the value of your lifetime deposits on this website, up to a maximum of £250. For example, if you have accumulated bonus funds of £400 once the wagering requirement has been fulfilled and your total lifetime deposits are £50, then £50 will be transferred to your real money bankroll. The remaining bonus balance will be removed permanently.

The maximum bonus conversion for accounts that have not made a deposit is £50. E.g. if you have accumulated bonus funds of £400 once the wagering requirement has been fulfilled, £50 will be transferred to your real money bankroll. The remaining bonus balance will be removed permanently.

Winnings generated from your bonus balance will be accumulated to the bonus balance bankroll. Once the wagering requirements (65x) have been met, the remaining bonus (maximum £250) will be transferred to your real (withdrawable) bankroll. All withdrawals are subject to the banking policy included in these terms and conditions.

Winnings are credited to the balance from where the wager was taken. If in a single transaction you wager 50% with real money and 50% with bonus funds, any winnings will be credited to match the proportion of the original wager. E.g. A £3 total wager (£1.50 Real and £1.50 Bonus balance) results in a £10 win, this means £5 will be credited to each balance.

Real funds will always be used to wager before bonus funds. You will only use your bonus balance when you do not have enough real money to place the wager.

The following games do not contribute towards fulfilling the wagering requirement: Blackjack (all variants), Roulette (all variants), any other casino style games and progressive jackpot slots. The company reserves the right to alter this at any time and without notice. Any changes in this regard will not impact any existing bonus or offers which have been offered to you, or have been already claimed.

Bonus

money wagering is not available on progressive jackpot slots, including (but not limited to): "Fluffy Favourites Jackpot" and "Fluffy Too Jackpot"

You can track your

remaining wagering requirement on the withdrawal page of the website.
