9 bonuses mean you never get bored playing King Kong Cash slot machine

If you're the

type of player who gets a kick out of multiple bonus features then you'll love the King Kong Cash online slot. This amazing virtual machine from Blueprint Gaming offers players 5 reels and 20 paylines from just 20p stakes. With a whopping 9 bonus features, the slot gives players even greater chances of walking away a winner.

Plus if you like

to bet big, the King Kong Cash slot machine accepts wagers of up to £500 a spin, so there's no shortage of action for high rollers to get involved in. Not least of all, there's also a chance to trigger payouts of up to 1000x your stake.

Try out the King

Kong Cash slot right now for free, or if you want to advance to real moey betting, click on any of our top rated casinos on this page.

Among all the animal symbols it's

the King Kong Cash logo that pays the most

There's no shortage of symbols flying by as

you spin the reels at King Kong Cash. But while you might think the monkey delivers the highest returns, you'd be wrong. In the main game at least it's the King Kong Cash symbol that will award you up to 500 coins for five matches across a payline.

When King

Kong wakes, players are in for a treat

You could be forgiven for thinking that waking a

sleeping giant monkey is a terrible idea, but in King Kong Cash it's just the opposite.

Whenever the snoozing ape suddenly stirs, a great bonus is about to be unlocked.

Banana

Canon Wilds - fired from Kong's cannon, will turn reel symbols into wilds at random.

The Golden Barrel Super Spins launch exploding barrels onto the reels which change into the same random symbol, awarding players with an extra win.

There's also the Spin

Streak feature, where King Kong hammers the reels with a mallet to trigger re-spins.

These continue until a winning match is made. Finally, there's the Bonus Boost, where barrels added to the reels increase your chance of unlocking the slot's main bonus

features.

Three King Kong bonuses trigger the game's most lucrative bonus features

When

you land three of the King Kong symbols on the reels you'll unlock the best bonus game this Blueprint Gaming machine offers. A spin of a wheel will reveal which one it is you've been lucky enough to land. There are four bonus games available to play, these include:

Empire Free Spins, which catapults players from deep in the jungle to the top of the Empire State building in New York. You'll be playing this game on a completely unique set of reels. The idea is to gather as many golden money symbols as you can before a bomb symbol shows up.

If you land Barrel Blast, you need to pick 3 of the same barrels to win a prize, while 3 Golden Monkeys will take you to the Big Money bonus game. In King Kong's Trail, the action takes place in an old school video game, where again 3 Monkeys can trigger the main bonus. Last but not least is the Free Spins feature, where you'll play on 5 reels with 40 paylines, and collect wilds for a chance to land super spins.

The Big Money Bonus is where King Kong Cash's 1000x multiplier can be won

The final of King Kong Cash slot's 9 incredible bonus features is the Big Money Bonus. This is where that top payout of 1000 x your betting stake can be unlocked.

You

can only make it to this level via one of the previous 4 bonus games, so pray that you land those lucrative Golden Monkeys (whilst in any of King Kong Cash's bonus features) as these are your golden ticket to that x1000 stake prize.

Slots traditionalists might

be put off by King Kong Cash's features, but not us

With 9 different bonuses breaking

up the reel action on the King Kong Cash online slot we can appreciate why some old school slots players might give this one a swerve. For us, King Kong Cash Slot scores top marks for offering these fun bonus features.

We're big fans of games that take

advantage of the online platform, but not at the expense of style over substance. With medium variance wins, even at lower stakes, no one can accuse King Kong Cash slot machine of that.
