I was passing by this long old train one day and saw the table of description of the wagons. Ideal for a slot game idea

So here is much more complex one, but that will be keeping player excited on each and every spin. Yeah because each spin have lots of interesting stuff going on.

Base game with lots of R\$hit going on. Especially three parts:

1. Left side reel numbers (high paying symbols) - always good to land them in, sometimes there might be none, but landing them in -> makes step two interesting (when they are combined together with paying symbols).

2. Middle long reel - there you can land three possible extras.

MULTI ROW - this feature adds in a multiplier and paying symbol that gives to every same symbol multiplier on left side reel (middle long reel is combining with 4 left side reels making it full line with multiplier applied).

TORN REEL - this feature is splitting apart middle two reels to make the winning line (called TR LINE) of 7 symbols total. Yes, two extra symbols which in payable is as add-on max win line.

and 3rd one - is the thing - I will keep as a surprise

Now the right side reels - two and the fence one are where paying symbols or scatters landing on every spin.

Its just an extra small reel to have some little cherry on top with max three same symbols landing, but, if you land each different one, of course no win is paid, but if you land three its adding on multiplier on them by amount of landed symbol (max x3, because of max three symbols). The good thing there is - in payable its also as extra thingy to look forward to - every symbol is counted as 1.6667x symbol in main reel. So with three same symbols you can get basically full line of 5 win - with multiplier x3

I am not a math gig or mechanics gig, those are quite complex ideas but the right person I am sure can make it work

6, 7 or 8 METANOL FREE SPINS are awarded when S - scatters lands into reel.

In free spins you simply will get each spin paying symbol landing in all three reels. No dead spins on those places, so the potential is huge (if you land one of the premiums in - say all three with Torn Reel!!!

I was aiming to have base game kind of interesting as well. Again with good work of right person I would love to make this one happened
