World Chess Championship Won GM Viswanathan Anand of India won the World Championship, September 2007 in Mexico City, a point 7 ahead of his nearest rivals, GMs Vladimir Kramnik of Russia and Boris Gelfand of Israel. Anand's final score was 'plus 7 four' (or '+4'), meaning that he won four more games than he lost. Since he did not lose a single 7 game, we can also write his score as +4-0=10, meaning four wins, no losses, and ten draws. His closest rivals 7 finished at 'plus two', both +3-1=10. The diagram shows the last position from the last game (Rd.14: Anand - Leko). 7 White has just played 20.Bg5-e3. The material left on the board is balanced, the Pawn structure is balanced, and neither 7 side has a significant weakness. The game was drawn at this point, making Anand the new World Champion. In this 7 tutorial, we'll look at some of the crucial games and positions from Mexico City that Anand encountered on his way 7 to winning the championship. We are indebted to the Chessbase site (see the box 'Elsewhere on the Web'), especially the 7 analyses by GM Mihail Marin and the videos by Vijay Kumar of the post game press conferences. The Openings: Anand 7 Playing White (+3-0=4) The strategy of top tier chess players often uses a simple formula: Win with White; draw with 7 Black. This means that all players follow the same opening strategy. They play opening systems that maximize their chances of 7 winning with White and of drawing with Black. Mexico City was no different. The eight participants played each other twice, 7 and the four games per round over 14 rounds produced 56 games. White won 18, Black won 2, and 36 7 were drawn (+18-2=36). Anand opened all seven of his games as White with 1.e4. One opponent responded 1...c5, and the 7 other six replied 1...e5. Against those six, Anand played 2.Nf3. Two opponents replied 2...Nf6 (the Petrov [Petroff] Defense), while the 7 other four replied 2...Nc6. All four games followed the main line of the Ruy Lopez (3.Bb5 a6 4.Ba4 Nf6 5.O-O 7 Be7 6.Re1 b5 7.Bb3 O-O), and three of those four games arrived at the position shown in the diagram, known 7 as the Marshall Attack (8.c3 d5). Both the Petrov and the Marshall give Black excellent drawing chances. Black's winning chances 7 aren't very high, but neither is the risk of losing. The Petrov was played

seven times in Mexico City (+0-0=7). 7 The Marshall was played four times (+1-0=3), and would have been played more often if Black hadn't sidestepped it with 7 the Anti-Marshall moves 8.h3 (+0-0=3) and 8.a4 (+2-0=0). The Openings: Anand Playing Black (+1-0=6) As Black, Anand faced 1.e4 twice, 7 answering 1...e5 in both games. In the other five games, all of which opened 1.d4, he answered 1...d5 2.c4 c6 7 twice, and 1...Nf6 2.c4 e6 three times. The 1.d4 openings provide more opportunity for transpositions between different systems than do 7 the 1.e4 openings. Four of Anand's 1.d4 games converged to the same position (1.d4 Nf6 2.c4 e6 3.Nf3 d5 4.Nc3 7 c6). Three of these games continued 5.Bg5 h6 6.Bh4 dxc4 7.e4 g5 8.Bg3 b5, reaching the position shown in the 7 diagram. Known as the Anti-Meran Gambit, it was played in five games overall (+0-1=4). Top tier players spend much of 7 their preparation studying the games of their rivals, in particular their opening repertoires. They assume that their rivals are doing 7 the same. Together with small teams of trusted assistants, everyone armed with the latest chess software and data, they probe 7 their opponents' openings looking for moves that might surprise. They also verify their own openings by looking for improvements to 7 avoid surprises by well prepared opponents. It is almost impossible for an observer to explain why a particular player chose 7 a particular opening against a particular opponent in a particular game. Much depends on the preparation of the two adversaries, 7 on their history of playing together, and on other games in the same event which have seen the most fashionable 7 openings. The choice of opening is largely psychological and only the players can explain their choices satisfactorily. Rd.2: Winning with 7 Black

Aronian - Anand; after

22.e4-d5(xP) In the first round, the eight players started cautiously. All four games were drawn in 7 less than 30 moves. In the second round, Anand played Black against GM Levon Aronian of Armenia, a dangerous opponent 7 who was fully capable of winning the event. The game started with an Anti-Meran Gambit, and followed a known variation 7 until Anand uncorked a novelty on his 17th move. A few moves later Aronian made a temporary sacrifice of a 7 minor piece, arriving at the diagrammed position. Now if the Bishop retreats with 22...Bb7, White regains the sacrificed piece with 7 23.c6, obtaining an excellent game with pressure against the Black Pawn on g4.. Anand played the surprising 22...Be5!, when White 7 was forced to continue 23.f4. After 23...Bg7 24.dxc6 Nxc5, the White Bishops were passively placed. Anand (video): 'I think he 7 missed this plan of ...Be5 and ...Bg7, or he underestimated it. In the whole game I'm playing against his Bishop 7 on e2; my Pawns on h5 and g4, and b5 and c4 control this Bishop. This turned out to be 7 the deciding factor in the game.' Aronian resigned on his 42nd move. This second round win with Black over a 7 dangerous rival was an excellent start for the Indian GM.

Rd.5: Beating the Marshall

Anand - Svidler; after 26.Qd3-d1 Since reigning 7 World

Champion Kramnik was the only other player to win in the second round, the two pre-tournament favorites took the 7 lead, a position they maintained by drawing with each other in round three and against their respective opponents in round 7 four. In the fifth round Anand played against the Marshall Attack for the first time in the event. The diagrammed 7 position is typical of the Marshall. Black is a Pawn down, but Black's pieces, especially the Rooks, are placed more 7 aggressively than White's. A few moves earlier, Black had weakened his Kingside with 24...g5. The game continued 26...Nf6 27.a4 Ne4 7 28.axb5 axb5 29.Ra6. After tying down the Black pieces to the defense of the Queenside, Anand played Ng2-e3-f5 and broke 7 through on the Kingside. Anand (video): 'In a very complicated position at the end he spotted me a bit of 7 time. At the end the position was unbelievably complicated. Basically I tried to get a position where White is able 7 to hold onto the Pawn at the cost of a significant initiative for Black [. ..]

When he went Nd5-f6-e4, 7 it's a pretty good plan, because suddenly I can't swap Rooks very easily. That means his attack when it comes 7 will be very strong. I reacted with a4 and Ra6, probably the only correct reaction.' Kramnik drew his game, and 7 Anand was

alone in the lead for the first time. Rd.7: Avoiding the Marshall

Anand - Grischuk;

after 16...Bc8-g4 In the 7 sixth round, while Anand and Kramnik both drew, a new front runner emerged. Gelfand won his second straight game to 7 tie Anand at 'plus two'. Faced with the possibility of playing against the Marshall Attack for the second time, Anand 7 varied with 8.a4, an Anti-Marshall move. In the diagrammed position, the Black Knight is well posted on b4, but White 7 has a stronger center. The game continued 17.h3 Bh5 18.g4 Bg6 19.d5!. With the last move, White locked the Bishop 7 on g6 out of play. Anand (video): 'I'm not exactly sure how this plan is in the opening with ...Bg4. 7 It's very forcing because I must play [h3 and] g4, but on the other hand his Bishop gets sidetracked to 7 g6. I felt that I should be better, but the tactics are quite annoying. A bit later I realized that 7 my Bishop on b1 is trapped for a while. So it was a complex game.' The world no.1 gradually improved 7 the position of his own pieces, kept his opponent's pieces in passive positions, and broke through by sacrificing a Pawn 7 on the Queenside to invade Black's position on the Kingside. Black's d-Pawn fell and the White's strong, central d- & 7 e-Pawns were enough to ensure victory. Rd.8: Drawing with Black against the Closest Contender

Gelfand - Anand; after 10.Bc1-d2 At the

7 tournament's half way point, when all the players had met each other exactly once, Anand was again alone in the 7 lead. At 'plus three' (+3-0=4), he was a half point ahead of Gelfand ('plus two') and a full point ahead 7 of Kramnik ('plus one'). He was to play Black against Gelfand in the first game of the second half. In 7 the diagrammed position, Anand played 10...Bd6. It was a move that had been played only once before, and that Gelfand 7 had not seen. Anand (video): 'Basically I wanted to surprise Boris with this idea of ...Bd6. It's a very rare 7 move, but I'd done some work on it with some people some months back. It comes down to the Catalan 7 is a story that you play ...e5 or ...c5 or you don't. If you're not in time, you're worse. Here 7 I think ...Qb8 and ...e5 were very important moves.' The surprise worked. Gelfand played 11.Rd1 instead of the more aggressive 7 11.Bg5. The game was agreed drawn on the 20th move. When Kramnik also drew on the Black side of a 7 Petrov Defense, the three leaders retained their respective positions on the crosstable. Rd.10: Drawing with Black Against the Most Dangerous 7 Opponent

Kramnik - Anand; after 28.Qh5-h6(xP) In round nine, Anand agreed to a draw

against after 21 moves Aronian's Marshall. Gelfand 7 and Kramnik both lost their only games of the tournament, stretching Anand's lead to a full point. Round 10, with 7 Black against World Champion Kramnik, would likely be the Indian's most severe test of the event. In an Anti-Meran Gambit, 7 both players had prepared the opening and the initial moves were played quickly. Black was forced to sacrifice the exchange, 7 but received good compensation in a centrally posted Knight. In the diagrammed position Black played 28...Nf4. Anand (video): 'When I 7 played Nf4 I thought it was quite unpleasant for him, and that's when I started to feel that I was 7 better already. He can never take on g5 because of ...Ne2+ and ...Qh2+. He cannot play g3 either because of 7 ...Ne2+, ...Qd5+, and ...Rd8. On Re1, I just go ...Qd5, and so on. So I started to get ambitious, but 7 he found 29.Kh1, which is the best move. I went 29...Qd5 30.f3 Rd8 31.Qg7 Rd7, and here my Knight is 7 too strong. By playing 32.Qf8 with the threat of Rfc1, I thought I could go 32...Qd6 33.Qg7 Qd5, and then 7 it's a draw. Probably this was best. I thought 32...Ne2 was very strong because I'm also restraining Rfc1, but completely 7 missed 33.Rfe1.'

Kramnik in turn missed the best move. With a lot of fight left in the position, but tired 7 from the constant tactical complications, the players agreed to a draw on the

41st move. Rd.11: Clinching the Title (Almost)

Anand 7 - Morozevich; after 30...Rh4-h5

Anand now led by a point with four rounds to be played. In the next round 7 he had White against Morozevich, a daring player who is always full of creative tactical ideas.

Against Anand's 1.e4, the 7 Russian played 1...c5, the only game in Mexico where Anand faced other than 1...e5. Play from the diagrammed position continued 7 31.Qf1 Rh4 32.Qg2 Rh5, bringing the game back to the diagram. If Anand had now continued 33.Qf1, the players would 7 most likely have repeated the same move sequence, leading to a draw by triple repetition. Instead he played 33.Nxa6. GM 7 Marin (analysis): 'An important moment in modern chess history. Anand's most dangerous trailers, Kramnik and Gelfand, had finished their games 7 hours earlier and a draw would have maintained his comfortable lead in the tournament. The ambitious decision to play on 7 will lead to a slightly irrational position, without any safety net for White. Therefore, Anand deserves the highest praise for 7 the way he chose to climb up to the highest peak of the chess pyramide. This is the kind of 7 World Champion the public needs. Anand's reward for his daring play was to pull ahead of his nearest rival by 7 a point and a half. With only three games remaining, this was an almost insurmountable lead. Rd.13: Holding a Bad 7 Endgame

Grischuk - Anand; after 40.Kd4-c4 Most people believe that chess is not a game of chance. By any strict definition 7 of the word 'chance', they are probably right. Chess players know better. No matter how far ahead they calculate variations, 7 or how solid their position seems to be, there is always a chance that they have overlooked something. Going into 7 the penultimate round, Anand's lead was still a full point and only bad luck could steal the victory from him. 7 After Grischuk's 40.Kc4, as shown in the diagram, Anand played 40...Kc8. White's unexpected 41.Rc2! put him in great danger of 7 losing. Anand (video): 'I blundered in the Rook ending, but the funny thing is I might not have lost anything 7 anytime at all. Even if I had gone correctly [via e7] to f6, he would have gone to e3, checked 7 on f3, and we would have had exactly the same position as in the game. It's funny that you can 7 blunder something and still end up in the exact same situation. I don't know if it's a draw, but I 7 remembered once I drew with [Kramnik] in Monaco like this. You keep attacking one Pawn on the Queenside and one 7 on the Kingside, back and forth. It's a typical idea in Rook endings. It seemed to hold this time. I 7 didn't see a clear win for him and I didn't see a clear draw for me, but somehow it was 7 enough. It's difficult to play a tournament without one bad day, and for me today was the day I 7 chose to play some lousy moves. At least it was not enough.' Anand held the position by simplifying into an 7 endgame of Rook and a-Pawn vs. Rook and h-Pawn, sacrificing his Rook for Grischuk's a-Pawn, and shepherding his h-Pawn to 7 the promotion to its eighth rank, where his opponent was forced to sacrifice his own Rook. The draw was a 7 question of a tempo: one tempo more and White would have won.

pergunta: Quais são os principais esportes disponíveis para apostas no Bet365?

Introdução ao Encontro

O campeonato brasileiro sempre nos traz grandes partidas, e uma delas é o América-MG x São

Paulo. Neste artigo, você acompanhará uma análise detalhada do jogo, palpites, dicas de apostas e muito mais.

O Que Happened no Jogo?

A América-MG hospeda o São Paulo atlético goianiense e goiás palpite atlético goianiense e goiás palpite uma partida emocionante, com duas equipes buscando ganhar pontos preciosos. O jogo foi realizado no Estádio Independência, atlético goianiense e goiás palpite atlético goianiense e goiás palpite 27 de agosto de 2024, às 16h.

Escalção Prevista da Partida

3. atlético goianiense e goiás palpite :sporting bet bonus

O treinador da seleção masculina dos EUA Mauricio Pochettino disse na sexta-feira que seu objetivo é nada menos do que competir com – e bater - as melhores equipes no mundo.

Indiscutivelmente o mais alto perfil de contratação na história do futebol americano, os ex-treinadores Chelsea e Paris Saint Germain disseram ao Sport que ele "pode sentir a potencialidade da equipe", afirmando: "precisa pensar grande para ser capaz "com as melhores equipes no mundo.

Na parte de trás do saque, Gregg Berhalter que não conseguiu avançar os EUA para fora da fase grupal dos torneios Copa América realizados atlético goianiense e goiás palpite solo nacional entre junho e julho houve um processo prolongado com o objetivo.

Finalmente, o argentino de 52 anos foi anunciado na última terça-feira passada poucos minutos antes da equipe nacional masculina trabalhar para um empate 1-1 pouco inspirador atlético goianiense e goiás palpite uma partida amigável contra a Nova Zelândia no Cincinnati. As novas acusações do Pochettino agora não conseguiram vencer seus últimos quatro jogos - fato que certamente nunca perdeu com seu treinador conhecido universalmente como "Poch", mesmo se ele ainda estivesse assistindo dentro dos estádios e sem ter visto nada disso por lá!

O gol de abertura na terça-feira foi marcado por Christian Pulisic (sua 31ª greve internacional o colocou atlético goianiense e goiás palpite quinto lugar da lista dos melhores jogadores do mundo), que talvez seja um jogador solitário no elenco. O capitão não se reteve com atlético goianiense e goiás palpite frustração após a partida

"Há muitas coisas que precisam mudar e apenas a mentalidade, cultura do grupo", disse Pulisic atlético goianiense e goiás palpite entrevista após o jogo. "Acho ter qualidade mas sei com sorte de ser essa é uma das primeiras coisa para quem vai querer fazer mudanças".

Quando as palavras de Pulisic foram colocadas atlético goianiense e goiás palpite Pochettino, o novo treinador do USMNT foi compreensivo com atlético goianiense e goiás palpite resposta dizendo que entendia a desilusão da capitã e "que ele precisa se sentir feliz".

Mas como ele explicou ao Don Riddell do World Sport depois de dar uma coletiva na atlético goianiense e goiás palpite Hudson Yards, atlético goianiense e goiás palpite Nova York.

Pochettino acredita que "a cultura está lá e a cultural da nação existe". Tudo tem um mentalidade muito boa."

Sua ênfase foi atlético goianiense e goiás palpite outra palavra que começa com "C": Competir.

"Nos últimos dois jogos, a equipe joga mas não compete", disse Pochettino. "Essa é o segredo: precisamos competir melhor e temos jogadores muito talentosos que precisam entender como devemos concorrer mais do jeito atlético goianiense e goiás palpite qual queremos jogar para aplicar nossas ideias."

O argentino assumirá oficialmente o comando pelos próximos amistosos atlético goianiense e goiás palpite 12 de outubro, contra a seleção feminina do Panamá. Depois disso ele e atlético goianiense e goiás palpite equipe vão se encarregar dos jogos finais para os futuros amigáveis no dia 13/10/09/19/2014; mas um público que deseja ter sucesso semelhante ao da Seleção Feminina está na maior competição mundial: levando-a à Copa 2026 Mundial pelo país natal num festival com cinco semanas sendo coorganizada pela Canada and México ndia (Canadá).

"É enorme, um dos maiores eventos do mundo", disse Pochettino que representou seu país na

Argentina como jogador da Copa de 2002, co-organizado pela Coreia e Japão. “Estar envolvido é uma realidade... E claro estamos tão animados não só para melhorar a equipe mas também por estar envolvidos atlético goianiense e goiás palpíte algo incrível aqui”.

Apesar do próximo torneio ser organizado pelos Estados Unidos, a Europa pode muito bem fornecer o segredo para glória.

Muitos dos jogadores mais importantes do USMNT - os gostos de Pulisic, bem como Weston McKennie. Yunus Musah e Antonee Robinson; Tyler Adams: Timothy Weah (Tyler), Giovanni Reyna and Folarin Balogun – todos jogam atlético goianiense e goiás palpíte todo o continente nas ligas mundiais das maiores prestígios da história mundial que podem muito provavelmente explicar a nova treinador principal dizendo ao Sport [que] quando se trata atlético goianiense e goiás palpíte base para este papel "estamos na Europa"...

O próprio Pochettino tem um currículo altamente impressionante desde o seu tempo na Europa. Começou no dueto com Espanyol, da Liga espanhola La antes de se mudar para a Premier League inglesa e depois levou Tottenham Hotspur à atlético goianiense e goiás palpíte primeira final atlético goianiense e goiás palpíte 2024 pela UEFA Champions Division que os Spurs perderam pelo Liverpool 2024.

Enquanto ele não chegou ao jogo de peças com o Paris Saint-Germain, atlético goianiense e goiás palpíte equipe megastars (Lionel Messi ; Neymar e Kylian Mbappé) conseguiu a Ligue 1 título. O período mais recente do Pochettino na Premier League foi breve mas futebol europeu estava garantido antes que pochettino se separasse da boate

O fator Chelsea provou ser presciente. A recente contratação da treinadora-chefe do time nacional feminino dos EUA Emma Hayes foi um golpe para a USWNT, já que o lenda de Blues ganhou nada menos atlético goianiense e goiás palpíte seu período com 12 anos na equipe feminina e levou atlético goianiense e goiás palpíte nova face à glória olímpica: os Estados Unidos capturaram ouro nas recentes Olimpíada ndia

Pochettino está positivamente elogiando o programa USWNT – uma “grande inspiração para mim” -, Hayes (com os dois se conhece há algum tempo) até descreverem a cidade como "o melhor treinador do mundo"; E que: Para nós é um desafio combiná-los.

Embora seja improvável que chegar perto do sorteio de quatro Copas dos EUA para mulheres não venha a ser concretizado por Pochettino e o lado masculino, uma corrida profunda na 2026 World Cup vai estar no topo da agenda.

Mas o novo contratado lê qualquer coisa para ser revelado na sexta-feira 13?

th

, um encontro que muitas pessoas são supersticiosas?

Para alguns, com uma grande risada e sorriso o argentino confirma que "assinei contrato uns dias antes a apresentação é hoje mas assino até 10 de setembro. No caso das pessoas supersticiosamente não há problema!"
