20 Dec 2024 22.43 GMT David Moyes speaks to Sky. "Liverpool played very well ... we praise them for how well they played ... obviously we didn't play well enough ... the second goal was the killer, we were beginning to grow into the game ... we didn't do particularly well in some areas for the goals ... we beat Arsenal in the last game and had the hardest draw of all coming to Anfield ... we were up against a really strong opponent ... a tough place to come and so it proved ... we still have a little bit of illness but we're not making any excuses ... tonight was disappointing ... before today we'd won seven out of nine in all competitions ... we've been in good form and that tells you how well Liverpool played today."

20 Dec 2024 22.40 GMT The first tie is a repeat of the 1998 final. Chelsea won that 2-0 thanks to extra-time goals from Frank Sinclair and Roberto Di Matteo. The other tie is a repeat of a two-legged second-round affair in 1986, one that will send a shudder down the spines of Fulham fans of a certain vintage: Liverpool won the first leg at Anfield 10-0 – Steve McMahon scoring four, setting up two, and missing a penalty – and followed that up with a 3-2 victory at Craven Cottage.

20 Dec 2024 22.31 GMT The semi-final draw Middlesbrough v Chelsea

Liverpool v Fulham First leg: week commencing January 8

Second leg: week commencing January 22

20 Dec 2024 22.28 GMT The draw. It's being made by Harry and Jamie Redknapp.

Middlesbrough, Fulham, Chelsea and Liverpool are about to discover their fate. The first leg of the semis will be played week commencing January 8, with the second legs taking place week commencing January 22.

20 Dec 2024 22.28 GMT Jurgen Klopp speaks to Sky. "It was obviously a really good game ... plenty of top performances ... we were difficult to play ... sharp and spot-on from the first second ... really good football ... it's really important that we can use the squad ... everybody on the pitch showed that they really wanted to play and win ... a top performance from start to finish ... it was a joy to watch the boys tonight ... the not-so-cool part of our life is we have to prepare for Arsenal already!"

20 Dec 2024 22.18 GMT Pre-draw anticipation. Liverpool have won this competition a record nine times. Chelsea have won it on five occasions. Middlesbrough just the once, but they've also reached a couple of other finals. This is new ground for Fulham, though; they've never made it

this far before. Richard Hirst is nevertheless looking for history to be his friend: "On our way to Wembley in 1975, Fulham won at Everton, so I'm confident. And now that we can't get West Ham in the final..." The Joy of Six: unlikely football heroes Read more

20 Dec 2024 22.04 GMT Tonight's xG: Liverpool 3.16-0.06 West Ham. That shouldn't come as too much of a surprise. The home side had 29 shots to West Ham's two, and 49 touches in the opposition box to the visitors' five.

20 Dec 2024 21.58 GMT Liverpool and Jurgen Klopp celebrate their victory with the usual passion. To a man they were excellent tonight. The 5-1 scoreline doesn't flatter them a bit, and that'll make up for their stodgy showing against Manchester United. They'll go into the Arsenal game at the weekend in a far better frame of mind. However, as good as Liverpool were, West Ham were abysmal, their defence ragged, their attack toothless. The exception that proved the rule: birthday-boy Jarrod Bowen's fantastic goal. You can be sure David Moyes will want to avoid Klopp's side in the Europa League. Liverpool's double goalscorer Curtis Jones is congratulated by manager Jurgen Klopp after the final whistle. 20 Dec 2024 21.52 GMT FULL TIME: Liverpool 5-1 West Ham United Liverpool join Middlesbrough, Fulham and Chelsea in the semi-finals. Draw to come! Go nowhere!

20 Dec 2024 21.52 GMT 90 min +4: A long ball nearly finds Ings on the edge of the Liverpool box, but Kelleher gets there first. Meanwhile Grant Tennille would like to offer the dictionary definition of "Simulacrummy: West Ham's attempt at imitating a competent defence."

20 Dec 2024 21.50 GMT 90 min +3: His radar's off. West Ham clear. But Elliott comes back down the right and wins another corner. Alexander-Arnold plays this one short. That routine goes nowhere, too.

20 Dec 2024 21.49 GMT 90 min +2: Salah busies himself and wins a corner down the right. Alexander-Arnold ambles across to take it.

20 Dec 2024 21.48 GMT 90 min +1: The first of four added minutes. Jamie Carragher names Curtis Jones as Sky's player of the match. Few would quibble.

20 Dec 2024 21.47 GMT 90 min: ... but it looks like the only thing he'll add to his stats tonight is a booking. He picks one up for clumsily back-heeling Kehrer in the face.

20 Dec 2024 21.46 GMT 89 min: Jones releases Nunez down the left ... but the flag goes up for offside. Nunez is fuming. Cross with himself. He desperately wants a goal.

20 Dec 2024 21.45 GMT 88 min: Elliott tries to get in on the fun but, falling backwards, scoops a weak shot wide left from distance.

20 Dec 2024 21.43 GMT 86 min: It's fair to say David Moyes will now go 21 games at Anfield without a victory. He's raging, by the way. Empurpled. That is not the way a David Moyes side usually defends. "I feel that Noel Moline may be writing out the 100 lines himself," writes Gary Moore. "John Cleese was surely wearing a tunic, not a toga."

20 Dec 2024 21.41 GMT GOAL! Liverpool 5-1 West Ham United (Jones 84) Jones picks up possession on the halfway line. He dribbles down the inside-left channel. Suddenly West Ham's defence opens up generously. He drifts into the middle, into the box, a little right of centre, then dinks across Areola and into the bottom left. What a run! What appalling defending! A tidy finish from Curtis Jones gives him his second goal of the night and Liverpool their fifth. 20 Dec 2024 21.39 GMT GOAL! Liverpool 4-1 West Ham United (Salah 82) You can't keep a good man down. Salah, having just squirted wide of an open goal, is sent clear down the middle, West Ham having committed everyone to a futile attack. Salah reaches the edge of the box, draws Areola, and rolls a shot across the keeper and into the bottom right. Liverpool's Mohamed Salah scores their fourth goal. 20 Dec 2024 21.38 GMT 81 min: Nunez comes barrelling in from the left. He reaches the edge of

the D before thrashing a low drive across Areola ... and off the base of the right-hand post. The ball pings back to Salah, who can't adjust his body to steer the rebound into the net. Wide left. How did that stay out?!

20 Dec 2024 21.35 GMT 78 min: That's a lovely birthday present for Bowen, who is 27 today. Gakpo is replaced by Diaz. The game restarts and Gomez storms down the inside-left channel before taking a shot. It's a decent effort, but well held by Areola. That senior goal remains elusive.

20 Dec 2024 21.34 GMT GOAL! Liverpool 3-1 West Ham United (Bowen 77) This is a brilliant goal. Johnson sends a speculative ball down the left. Bowen gets ahead of Quansah, turns the young defender just inside the box, and curls a glorious shot across Kelleher and into the top right. What a finish!

20 Dec 2024 21.32 GMT 75 min: Liverpool ping it around. Bradley, who has looked lively since coming on, wins a corner down the right. It leads to a brief game of pinball in the West Ham six-yard box, but nothing drops to a home shirt and the visitors can clear their lines.

20 Dec 2024 21.31 GMT 74 min: This scoreline doesn't flatter Liverpool at all. They look in the mood for more, as well. West Ham continue to struggle to retain possession. Meanwhile here's Noel Moline: "Where's John Cleese dressed in a toga when you need him, to tell Paul Griffin 'Simulacra is plural, simulacrum is singular. Now, write it out 100 times.'"

20 Dec 2024 21.29 GMT GOAL! Liverpool 3-0 West Ham United (Gakpo 71) Ogbonna and Soucek leave a loose ball to each other. Konate nips in and steals off with it and feeds Gakpo, who threads a shot into the bottom left from the edge of the D. Simple as that. Game over, surely. Cody Gakpo makes it three. Updated at 21.37 GMT

20 Dec 2024 21.28 GMT 71 min: West Ham take a quick throw down the right. Kudus strides towards the box and sends a screamer inches over the bar. Kelleher probably had it covered. It's West Ham's first effort at goal.

20 Dec 2024 21.26 GMT 70 min: Bradley's very first contribution is to cushion Alexander-Arnold's long diagonal pass into Salah's path down the inside-right channel. It's an exquisite touch, and worthy of an assist. Sadly Salah slices wildly into the Kop. That would have been a picture-book goal.

20 Dec 2024 21.25 GMT 68 min: The young right-back Bradley replaces Tsimikas. Gomez comes across to the left of Liverpool's defence.

20 Dec 2024 21.23 GMT 66 min: That Curtis Jones goal was Liverpool's 500th in this tournament. Only Aston Villa, with 514, have scored more. You can thank Sky Sports for that one.

20 Dec 2024 21.22 GMT 65 min: Nunez dribbles at slow speed down the left but still wins a corner through sheer persistence. It's all for nought, though, because Tsimikas's set-piece delivery is off-whack. "It's alright this game," begins Paul Griffin. "Lovely, open, and there's a nice contrast between the home side's youthful energy and their opponent's increasingly desperate resolution. However, it is entirely lacking regular pauses to watch some barely competent men in Hillingdon draw wobbly, grandiose lines on a low resolution screen, so it's a poor simulation of the real thing as far as I am concerned. Whoever wins will know it's a mere simulacra of a victory."

20 Dec 2024 21.20 GMT 63 min: ... the ball's worked from Alexander-Arnold on the right, to Tsimikas on the left, then back again. Alexander-Arnold hits a cross-cum-shot through a crowded box. Nunez lunges but can't connect and the ball bobbles wide left.

20 Dec 2024 21.19 GMT 62 min: Liverpool pour forward at speed. Quansah strides out from the back. Gakpo finds Salah, who feeds Elliott into the box from the right. Elliott tries to nutmeg Areola from a tight angle and is forced to settle for a corner. From which ...

20 Dec 2024 21.15 GMT 58 min: Fornals swings a cross in from the left. Kelleher comes way off his line to punch clear spectacularly. Liverpool counter through Jones, who looks for the top right this time. Always wide, always high.

20 Dec 2024 21.15 GMT 57 min: That was a fine goal from the perspective of Liverpool and Jones; not so good from Areola's perspective. Beaten at his near post. Paqueta comes on for Benrahma.

20 Dec 2024 21.14 GMT GOAL! Liverpool 2-0 West Ham United (Jones 56) Liverpool have been

hammering on the door, and they get their reward. Jones plays a ball round the corner, down the left for Nunez. He keeps on running for the box, and gets the ball back. There's nobody in the middle, so he has a whack from a tight angle. He blasts the ball straight through Areola, across the face of goal and into the bottom right! Curtis Jones slots the ball through the legs of Alphonse Areola to double Liverpool's lead. Photograph: Michael Regan/Getty Images Curtis Jones celebrates his goal. Updated at 21.31 GMT

20 Dec 2024 21.12 GMT 55 min: Nunez has a crack from out left. His drive smacks straight into Gakpo.

20 Dec 2024 21.11 GMT 54 min: Gakpo clears the corner with an authoritative header. But that's better from West Ham, who despite taking a territorial hammering are only one goal behind. A reminder to Liverpool that the tie is far from over.

20 Dec 2024 21.10 GMT 53 min: Johnson sashays down the left and rolls a pass down the flank for Bowen, who enters the box and crosses low. Tsimikas is forced to poke behind for a corner with Soucek lurking behind him.

20 Dec 2024 21.09 GMT 52 min: Alvarez slides in late on Elliott, catching him on the ankle. Not the worst challenge, not the best. The yellow card he gets seems about right.

20 Dec 2024 21.07 GMT 50 min: Another wave of Liverpool attack. Jones takes a shot from the left-hand edge of the D. That one bobbles harmlessly wide right; the keeper had it covered.

20 Dec 2024 21.05 GMT 49 min: Liverpool quickly come back at West Ham. Nunez makes his way into the box from the left and sends a rising shot towards the top left. Areola turns it around for another corner; nothing comes of that one either.

20 Dec 2024 21.05 GMT 47 min: Jones comes in from the left and shoots. It's deflected out for a corner, which Liverpool take quickly. Endo tries to release Szoboszlai down the right. The pass is too strong, but Szoboszlai somehow reaches it before it goes out for a corner, then sends in a cross that's deflected miles into the sky by Ogbonna, so much so that Nunez can't leap high enough to head home a couple of yards out. Coufal turns it out for a corner, from which nothing comes.

20 Dec 2024 20.47 GMT HALF TIME: Liverpool 1-0 West Ham United On the balance of play, this scoreline flatters West Ham. They'll need to do some thinking if they're to deny Liverpool progress to the last four.

20 Dec 2024 20.46 GMT 45 min +1: One added minute. Benrahma dribbles down the left but can't get a cross in. Kelleher still hasn't had his hands warmed.

20 Dec 2024 20.45 GMT 45 min: Elliott makes good down the right. He sails infield before curling a lovely cross into the mixer. Gakpo rises highest, on the edge of the six-yard box, and guides a header across Areola and inches wide of the right-hand post. On target, that was 2-0, because Areola was rooted to the spot.

20 Dec 2024 20.44 GMT 44 min: The West Ham fans aren't letting it get them down, though. A lusty rendition of Bubbles. "It seems to me that Liverpool are shooting from range a lot more than other teams are, and that they themselves used to do," observes Kári Tulinius. "I wouldn't be surprised if Klopp or someone on his staff identified some marginal gain, whether purely in goals scored from range, or also because it makes defenders worry about players forty yards from goal, which can free up space in behind."

20 Dec 2024 20.42 GMT 42 min: Kudus tries to get something going for West Ham. He dribbles down the right, cuts infield, then ... hoicks a wild crossfield pass, directed towards nobody, into the Kop. West Ham have done absolutely nothing in attack.

20 Dec 2024 20.40 GMT 40 min: A loose ball in the West Ham box. Gomez races in, swings a leg and ... misses altogether. He's never scored a goal in senior football. The wait goes on.

Delegação israelense esperada back door poker Cairo para negociações de cessar-fogo e libertação de reféns

Um delegação israelense está prevista para se dirigir ao Cairo para negociações de cessar-fogo e libertação de reféns que devem retomar hoje, disse um oficial israelense à back door poker .

Uma delegação do Hamas estava planejando viajar para o Cairo ontem para ouvir dos mediadores sobre as últimas novidades nas negociações, disse Izzat al-Rishq, membro do escritório político do Hamas, no sábado.

Vários pontos de discordância permanecem nas negociações sobre uma possível proposta de três fases enquanto altos negociadores estão previstos para se encontrar este fim de semana, e as preocupações aumentaram nas últimas semanas de que os esforços para chegar a um acordo possam ser impactados por qualquer ampliação do conflito regional.

O al-Rishq do Hamas reiterou que o grupo deseja implementar a proposta de três fases introduzida pelo presidente dos EUA Joe Biden, que incluiria a libertação de reféns de Gaza, um "cessar-fogo completo e total" e a libertação de prisioneiros palestinos detidos back door poker Israel.

No entanto, o Hamas tem indicado publicamente que estão insatisfeitos com a última proposta porque ela não inclui um cessar-fogo permanente e introduziu novas condições para a troca de prisioneiros, entre outros assuntos.

Israel tornou claro que, após a proposta fase inicial de seis semanas, uma pausa no combate pode ser apenas isso, e não está pronto para concordar com um cessar-fogo permanente.

Um funcionário egípcio familiarizado com as negociações disse que ainda existem "diferenças amplas" antes que um acordo possa ser alcançado.

O Egito quer ver Israel "retirando suas tropas completamente" da faixa de Gaza, uma faixa de 8,7 milhas de terra ao sul da Gaza que faz fronteira com o Egito e atualmente é controlada por forças israelenses, disse o funcionário.

Algum contexto:

Em maio, o Biden apresentou uma proposta de três fases que, segundo a administração, foi apresentada por Israel, que pairaria a libertação de reféns de Gaza com um "cessar-fogo completo e total" e a libertação de prisioneiros palestinos detidos back door poker Israel.
