Hotéis.

5 - Poker as private gaming

29.46. Poker offered as private gaming can take place

anywhere to which the public do 5 not have access, and this would include a workplace.

Domestic and residential gaming are two subsets where non-equal chance gaming 5 is allowed:

Domestic gaming is permitted without the need for permissions if:

it takes

place in a private dwelling

it is on a 5 domestic occasion

no charge or levy is made for

playing.

Residential gaming is permitted when:

it takes place in a hall of residence 5 or

hostel not administered in the course of a trade or business

more than 50 percent of

the participants are residents.

29.47. 5 Private gaming can potentially take place on

commercial premises in circumstances where a members' club hires a room in, for

5 example, a pub or hotel for a private function where equal chance gaming only is

played. However, organisers would need 5 to scrutinise very carefully the arrangements

put in place to make sure that the particular area of the pub, hotel 5 or other venue in

which the gaming takes place is not, on the occasion of the private function, a place

5 to which the public have access and that those participating are not selected by a

process which means that, in 5 fact, they are members of the public rather than members

of the club. The law in this area is complex 5 and organisers should be advised to seek

their own legal advice before proceeding with the event.

29.48. It is a condition 5 of

private gaming that no charge (by whatever name called) is made for participation and

Schedule 15 to the Act 5 makes it clear that a deduction from or levy on sums staked or

won by participants in gaming is a 5 charge for participation in the gaming. It is irrelevant whether the charge is expressed to be voluntary or compulsory, particularly 5 if customers are prevented from playing if they do not make the 'voluntary' donation, or there is strong peer pressure 5 to make the donation. A relevant decided case in another licensing field is that of *Cocks v Mayner* (1893) 58 5 JP 104, in which it was found that an omnibus said to be available free of charge but whose passengers 5 who were invited to (and in some cases did) make a voluntary contribution was 'plying for hire' without the appropriate 5 licence.

29.49. Additionally, the decided cases of *Panama (Piccadilly) Ltd v Newberry* (1962) 1WLR 610 and *Lunn v Colston-Hayter* (1991) 155 5 JP 384 are helpful in guiding local authorities in deciding whether a person ceases to be a member of the 5 public merely because they have agreed to become a member of a club.

29.50. In the first of these cases (which 5 related to a strip show), the court said that an applicant for membership of the club and admission to the 5 show was and remained a member of the public, as the whole purpose (of membership) was to get members of 5 the public to see the show and there was no sufficient segregation or selection to cause an applicant to cease 5 to be a member of the public and to acquire a different status as a member of a club on 5 signing his application form and paying the charge. In the second (which related to an acid house party), the judge 5 said that it was impossible, merely because of the existence of a formal scheme of club membership enforced to the 5 extent of requiring tickets to be obtained 24-hours in advance of the event, to regard those who obtained such membership 5 and tickets as having ceased to be members of the public.

29.51. This means that people joining a club to attend 5 and take part in a 'private' event are likely to remain members of the public, particularly if 'club membership' is 5 acquired only a short time before, and in order to attend the event.
