Time for some deep sea diving with developer Pragmatic Play as it heads beneath the waves
once again for the sequel slot Release the Kraken 2. The original release clearly struck the right
note with enough underwater adventurers with its bounty of wild types, pick-me treasure chests,
and Roaming Kraken Free Spins. For the reboot, Pragmatic Play has rejigged much of the
gameplay, wedging in Wild Respins, Shifting Stack Wilds, Guaranteed Wins, and a Deal or No
Deal element to the free spins feature. It sounds like a lot has changed, and it has, but the same
bubbly spirit has remained, let's take a look.

If anything, Release the Kraken 2 is even bubblier than the original game, located at the bottom of
the sea, full of weeds, fish, and colourful coral. Injecting extra life into the game is a cheeky set of
characters on the reels that do this little animation thing when they create a winning line. Okay, a
small thing, but details matter, and Pragmatic Play is good at combining a bunch of details into
one big glossy whole. Gotta say the vibe is actually a lot more cheerful than it was in Release the
Kraken. The original game had more of a menacing feel emanating from its lead Kraken
characters. This has largely been erased in Release the Kraken 2, replaced with a playful attitude
rather than hints of an ominous one.

One thing that has remained constant is the game's layout. Release the Kraken 2 is played once
again on a 5-reel, 3-row game grid with 20 paylines utilised in the base game, increasing to 40
paylines in free spins. It's highly volatile, rated as 5 out of 5 by the studio, and has a variety of

RTP values depending on how you play the game and on the model. At max settings, playing regularly generates a theoretical return of 96.03%, picking stakes of 20 p/c to R\$/€100 per spin. This increases by 25% when activating the Ante Bet, which in turn increases the chance of triggering the feature, as well as altering the RTP to 96.01%.

Nine regular pay symbols appear on the grid, divided into 10-A card ranks as the low pays, then four denizens of the deep as the high pays. Landing a five-of-a-kind winning line pays out 1-2 times the stake when made up of card symbols or 3-10x the bet when consisting of premium tiles. A Kraken is displayed on the wild symbols which appear on all five reels. Wilds substitute for all symbols except the bonus symbols and are worth up to 20x the bet for a five-of-a-kind line.
