British gambling company

Bet365 is a British gambling company founded in 2000. Its product offering includes sports betting, online casino, online poker, and online bingo. Business operations are conducted from its headquarters in Stoke-on-Trent, alongside a satellite office in Malta. It was founded by Denise Coates, who remains the majority shareholder and joint-chief executive, alongside her brother John Coates.

Overview [ edit ]

Bet365 is an online gambling company offering sports betting and casino type games.

In addition to the company headquarters in Stoke-on-Trent, Bet365 have further offices in Manchester, Gibraltar,[1] Malta,[2] Bulgaria and Australia. The group employed over 4,000 people as of 2024.[3][4]

Bet365 is a trading name of Hillside (New Media) Ltd.[5] and operations.

History [ edit ]

Bet365 was founded in 2000 in a portable building[3] in Stoke-on-Trent by Denise Coates. Denise developed a sports betting platform and trading team to launch the business online in March 2001. The business borrowed £15 million from Royal Bank of Scotland against the family's betting shop estate which had been started by Peter Coates in 1974 and had been run by Denise Coates as managing director from 1995. Bet365 sold its betting shop chain in 2005 for £40 million to Coral and paid off its loan to RBS.[6]

Bet365 chairman Peter Coates was also the chairman at Stoke City and in May 2012 Bet365 signed a three-year contract with the club to become shirt sponsors.[7] In April 2024, the company became the new title sponsors for the club's stadium for the next six seasons, replacing fellow local enterprise the Britannia Building Society.[8] In the summer of 2024, Bet365 also signed shirt sponsorship deals with Bulgarian clubs Ludogorets Razgrad and Slavia Sofia for the upcoming two seasons.[9][failed verification]

Bet365's reported figures (March 2024-21) showed revenues of £2.8 billion and a profit of £470 million before tax.[10]

Denise Coates, joint chief executive, continues to run Bet365 and is the majority shareholder with

50.1% of the shares. Her brother John, joint chief executive, runs the business alongside her, with her father Peter holding the position of chairman.

In the summer of 2024, the largest UK bookmakers and online casino operators William Hill, GVC Holdings, Flutter Entertainment, Stars Group and Bet365 entered into an agreement to transfer funds to combat gambling addiction. They agreed to increase the amount from 0.1% to 1% of gross income in the next five years. The initiative was welcomed by a harm reduction group, but also received criticism for its perceived inadequacy; one MP described it as "a bribe to appease campaigners and the UK government".[11]

Overseas operations [ edit ]

In 2024, shortly after the U.S. Supreme Court ruling on sports betting allowed U.S. states to regulate sports betting, Bet365 announced plans to launch in the United States starting with the state of New Jersey with a partnership with Hard Rock Hotel and Casino in Atlantic City.[12] The company would later announce in September 2024 that Bet365 will launch in Colorado with a licensing and revenue share deal with Century Casinos. Bet365 opened up operations in Colorado on 6 September 2024.[13][14]

In April 2024, Bet365 was also launched in Ontario after it was approved by the Alcohol and Gaming Commission of Ontario to conduct sports betting activities in the province following the passing of a new Canadian law that legalized single-game betting.[15]

Awards and achievements [ edit ]

At the eGaming Review Operator Awards 2010 organised by eGaming Review magazine, Bet365 won the "Operator of the Year" award.[16] Bet365 ranked third in The Sunday Times Profit Track 100 league table, which ranks private companies in the UK based on profit growth rate.[17] Bet365 was also ranked as one of the fastest growing privately owned technology, media and telecoms companies in The Sunday Times Tech Track 100 league table.

eGaming Review magazine has ranked Bet365 the number one Internet gaming company in 2010, 2011 and 2012 as part of its annual Power 50 list of the top 50 most influential Internet gaming companies.[18] Denise Coates, founder and joint CEO of Bet365, received a CBE in the 2012 Queen's new year honours list for services to the community and business.[19] In February 2013 Denise Coates was named as one of the 100 most powerful women in the United Kingdom by Woman's Hour at BBC Radio 4.[20]

In December 2024, Bet365 won the coveted SBC Bookmaker of the Year for the third consecutive year.

Controversies [ edit ]

In October 2014, The Guardian newspaper reported that the company had been taking bets from Chinese citizens by using obscure domain names in order to avoid government web censorship.[21]

In 2024, Bet365 was fined R\$2.75 million AUD by the Australian Competition & Consumer Commission for misleading advertisements which falsely promised "free bets" to customers.[22] Denise Coates became the highest paid executive in the UK in 2024, awarding herself a salary of £217 million.[23] In 2024, her pay packet rose to £265m as the company reported profits up 31% to £660 million, prompting criticism from problem gambling charity groups.[24] In January 2024, Bet365 ranked second on The Sunday Times list of the UK's top taxpayers, with the Coates family (Denise, John and Peter) paying an estimated total tax of £156 million, of which £99 million was paid by Denise alone.[25]

Further criticism highlights repeated cases of Bet365 delaying or denying payment to winning players. For example, Bet365 was taken to court for refusing to pay over £1 million in winnings to a horse bettor in Northern Ireland in 2024.[26] The company refused a payout of £54,000 to a customer in England in 2024, a case which was still ongoing in 2024.[27][28] In Australia, Bet365 froze the account of a punter who had won around R\$200,000 AUD in 2024, refusing to pay out.[29] These are just some of the most noteworthy instances; several more cases of Bet365 refusing to pay winnings have been reported by gamblers on Internet gambling forums.[30][31] Although gambling is illegal in most jurisdictions of India, Bet365 nonetheless conducted surrogate advertising in the country. India's consumer affairs ministry served notices to various

television channels and apps for promoting gambling companies and asked them to stop showing ads from Bet365 and other betting platforms immediately.[32]

Media [ edit ]

In the UK, the face of Bet365, since 2010, has been actor Ray Winstone.[33]

### Florida: Meteorólogo critica legislación estatal sobre cambio climático y alienta a los espectadores a votar

Mientras que vastas áreas de Florida soportaban un calor sofocante el fin de semana, el meteorólogo de televisión de South Florida, Steve MacLaughlin, criticó la nueva legislación estatal que eliminó la mayoría de las referencias al cambio climático de la ley estatal y alentó a sus espectadores a votar.

"El mundo entero está mirando a Florida para liderar en el cambio climático", dijo MacLaughlin durante un segmento del 18 de mayo. "Nuestro gobierno está diciendo que el cambio climático ya no es una prioridad como solía serlo".

Los comentarios de MacLaughlin se producen cuando el sur de Florida se asfixia en un calor excepcional para el mes de mayo. Las temperaturas extremas llevaron a que el Servicio Meteorológico Nacional emitiera una advertencia de calor por primera vez en 15 años el viernes. El mes ha sido el más cálido de mayo registrado hasta ahora para gran parte del sur de Florida. Solo unos días antes, el gobernador republicano de Florida, Ron DeSantis, firmó una controvertida ley que eliminó la mayoría de las referencias al cambio climático de las leyes estatales, una medida que MacLaughlin calificó de "No digas cambio climático". Realizó varios cambios en la política energética del estado, en algunos casos eliminando secciones completas que abordaban la importancia de reducir las emisiones de gases de efecto invernadero. También otorgó un trato preferencial a los combustibles fósiles y prohibió la energía eólica offshore, incluso cuando no hay parques eólicos planificados frente a las costas de Florida.

Los ecosistemas costeros de Florida han sido devastados por un blanqueamiento severo del

coral y sus hogares y negocios se enfrentan a inundaciones por el aumento del nivel del mar. La ley eliminó la palabra "clima" ocho veces, a menudo en referencia a la reducción de las emisiones de combustibles fósiles a través de su política energética o al dirigir a las agencias estatales para que compren "productos amigables con el clima" cuando esos productos sean costo-efectivos y estén disponibles.

"Recuerde, la solución climática más poderosa es la que ya tiene en la palma de sus manos: el derecho al voto", dijo MacLaughlin. "Y nunca le diremos a quién votar, pero le diremos esto: lo instamos encarecidamente a que haga su investigación y sepa que hay candidatos que creen en el cambio climático y que hay soluciones, y hay candidatos que no".

Otros meteorólogos de televisión elogiaron a MacLaughlin por entregar un mensaje tan fuerte, especialmente en un momento en que los comunicadores climáticos, periodistas, meteorólogos y servicios meteorológicos nacionales han informado un aumento en el acoso, las amenazas y el abuso por conectar eventos meteorológicos extremos con el cambio climático.

"Este no es un momento fácil para que un meteorólogo emita este tipo de declaraciones, ya que hay mucha presión para no meterse en estas aguas climáticas", dijo Jeff Berardelli, meteorólogo jefe en WFLA en Tampa Bay, en respuesta al video clip de MacLaughlin, que ha sido visto más de 350,000 veces.

El año pasado, un meteorólogo jefe de una estación de noticias de Iowa renunció después de recibir una serie de correos electrónicos
