British online gambling operator

Sportingbet is a British online gambling operator,

owned by Entain plc. The company was listed on the London Stock Exchange and was a constituent of the FTSE SmallCap Index prior to its acquisition by GVC

holdings.

History [edit]

The company was founded by Mark Blandford in 1997.[2]

Sportingbet acquired Paradise Poker in October 2004.[3] On 7 September 2006 Sportingbet

reported that its then chairman, Peter Dicks, was detained in New York City on a Louisiana warrant while traveling in the United States on business unrelated to online

gambling.[4] Louisiana is one of the few states that has a specific law prohibiting

gambling online. In March 2007, all Louisiana warrants involving the company were cancelled.[5]

In October 2006, Sportingbet announced Paradise Poker would stop taking deposits from US customers, although most would be allowed to continue to play for

another month.[6] Additionally, Sportingbet sold all its US-facing sports betting and casino businesses, including Sportsbook and Sports, to a group of private investors

for R\$1, and an assumption of R\$13.2 million in debts.[7]

In February 2007, Sportingbet

announced it was eliminating its Paradise Poker software and migrating players to its Sportingbet Poker platform. Prior to this, the two platforms had approximately the same

number of players, but the Sportingbet platform had higher liquidity because that platform was part of a larger network. The brand name of Paradise Poker was

retained.[8]

In 2008, Netbet (Pty) Ltd, a company in South Africa, licensed the

Sportingbet brand for online gambling in South Africa.

In October 2012, Sportingbet

announced its board had agreed to preliminary terms for a £530 million takeover bid

from UK bookmaker William Hill and Isle of Man-based GVC Holdings.[9] Under the terms, Sportingbet's Australian and Spanish operations were bought by William

Hill.[10]

Operations [edit]

Sportingbet operates local-focused sportsbooks, virtual

games and casino sites, and the online poker cardroom, Paradise Poker. Overall, the company has over 2.5 million registered customers in 200 countries, who place over one million bets (casino, poker, sports and virtual games) per day.

Sportingbet operates

several websites. The largest of these are wholly owned and operated by Sportingbet. They also use a system similar to a franchise, in which independent website operators use Sportingbet's centralised software, financial services, trading, and customer service under license. These web sites receive a cut of the profits their customers generate.

Sportingbet's corporate offices are located in Guernsey. They also have offices and call centres in the Republic of Ireland and Costa Rica. The PLC is located in Moorgate, London.

The company sponsored Premier League, Championship and League One football team Wolverhampton Wanderers from the 2009–10 season until the 2013–14 season.[11] This link-up with a football club first began in January 2009, when Bulgarian football club Slavia Sofia announced a 3-year sponsoring deal. As a result, the logo of the company appeared on the club's shirts for the 2008–09, 2009–10 and 2010–11 seasons of the Bulgarian A PFG. Sportingbet also sponsored Steaua Bucuresti of Romania for the 2009–10 and 2010–11 season. The logo also appeared on Steaua Bucuresti II, Steaua's reserve team's shirt, which now plays in Liga. Sportingbet also sponsored division 1 Victorian amateur football team Banyule FC for the 2010–2011 seasons.[12]

PAOK FC[13] (2024–2024)

CFR Cluj (2024–present)

Série B[14] (2024)

Copa

Libertadores[15] (Brazil only) (2024–present)

El Salvador está oferecendo 5.000 "passaportes gratuitos" para trabalhadores altamente qualificados do exterior, anunciou o presidente Nayib Bukele neste sábado. O anúncio é a mais recente tentativa de impulsionar a economia com investimentos estrangeiros. Cientistas, engenheiros e médicos receberão "status de cidadão pleno", incluindo direitos ao voto.

El Salvador também ajudará a realocar, eliminando impostos e tarifas sobre "movimentar famílias ou bens", como equipamentos e software.

Bukele escreveu que as contribuições do grupo teriam um enorme impacto no futuro da América Central.

O governo de El Salvador entrou em contato com o plano para obter detalhes.

El Salvador tem visto várias reformas radicais e muitas vezes controversas sob a liderança do presidente de braço forte.

Em 2024, El Salvador adotou o Bitcoin como moeda legal ao lado do dólar americano. Mas a Organização Internacional de Valores Mobiliários (FMI) recomendou repetidamente que os EUA abandonassem as criptomoedas citando riscos, incluindo alta volatilidade.

No ano passado, a Assembleia Legislativa aprovou uma lei de migração destinada à agilizar a cidadania para estrangeiros que apoiam programas sociais e econômicos ao doar Bitcoin.

Bukele também supervisionou uma repressão brutal e amplamente criticada contra o crime, que ele afirma ter melhorado significativamente a segurança do país; mas os opositores dizem ser um resultado de abusos em larga escala dos direitos humanos.
