For almost a year and a half, the Brazilian player Yuri Martins has remained with PartyPoker as ambassador of the platform. Now, after a prolific career full of great moments, Martins announces that he will continue on his own, saying goodbye to PartyPoker with a nice memory and words of thanks.

The end of this partnership comes at

a time when some say that the player seems to be rethinking many things. Perhaps his trajectory as a professional poker player is going to be produced by the hand of another platform, but for the moment it is all speculation.

With the arrival of the new

year, Martins has stated that “he has had a great time working with PartyPoker”, and that “he will be eternally grateful”. Some of his great feats have been achieved just in the last few months.

Yuri Martins’ trajectory as ambassador of PartyPoker

Associated

with PartyPoker, Yuri Martins achieved an exceptional result in the WSOP held in Las Vegas. It is true that some remember this moment as somewhat bittersweet, precisely

because he failed to win his third bracelet in the World Series. However, his expertise

and skill earned him a runner-up finish at the Poker Players Championship, where he was beaten by Dan Cates, an American poker legend, losing the heads-upR\$50,000 buy-in.

In

2024, Yuri Martins managed to reach the highest position in the ranking of the most awarded Brazilian players in poker, something corroborated by The Hendon Mob, the

well-known online poker database.

From PartyPoker also remember fondly all the months lived together in partnership. As part of the PartyPoker team, Martins has enjoyed every moment and PartyPoker leaves the door open for a return in the future.

Although

many speculate that Yuri Martins may be negotiating with another platform, at the time of writing there is nothing confirmed nor have there been any suspicious movements indicating that the Brazilian player is in the middle of negotiations with other platforms.

The best moments of Yuri Martins with PartyPoker

Yuri Martins has been

considered the best online poker player in the world. His career has been full of successes and, thanks to his partnership with PartyPoker, his position as a professional poker player has been strengthened.

Since March 2024, NERDguy, as Yuri

Martins is known at the online tables, has topped the online poker rankings with more than 25 consecutive weeks as the world's player with the highest ITM. It is estimated that, in total, Martins has won during his entire career approximately 14 million dollars, 5 of which would be in live games.

In addition to being the poker player with

the highest earnings in his country, at the end of 2024 he was ranked 16th in the list of the best players of all time worldwide.

His professional career is so incredible

that it has inspired the creation of a documentary, "A Nerd Story", where the origins of Yuri Martins and his jump to professional poker are narrated. It is a co-production, created by PartyPoker and RegLife, that you can see here. It also features unique moments that reflect key moments in Martins' personal life, as well as his great confrontations and his critical moment at the WSOP that made him cry in front of all the cameras.

During this time in which Martins has enjoyed being one of the best in the world, the Brazilian player has managed to be the best Latin player in the Poker Player Championship with a buy-in of R\$50,000, and reaching a prize of R\$895,000 (plus several live cashes) during his games with PartyPoker.

In the streaming field, NERD guy has

also been very active and is known for his good contributions. On the Twitch platform he has several times given a series of tips for beginner players alongside Day Kotowiezy and Joao Simao, two friends and table acquaintances who were also part of PartyPoker at the time.

In recent years, Yuri Martins has established himself as one of

the best in the poker world. With only 30 years old, his resume is enviable. He started playing at the age of 15 in games with friends and his brother. Soon, with the advent of the Internet, he began to play Freeroll tournaments with buy-ins of just a few cents. This allowed him to gain experience and learn how to play.

By the time Martins

turned 18, his family was going through hard times. It was impossible for him to go to college, considering that his parents lived in a complicated economic situation, so his only way out was to dedicate himself to poker.

With hours and hours of study, a lot of

dedication and the desire to show what he knew, Yuri Martins managed to climb up the ranks to become the best poker player in Brazil. His story is motivating for the new generations of players, and with his current situation, the economic outlook of his family has changed forever.

Cuando Xi Jinping llegó a Italia para una visita de Estado en 2024, recibió una cálida bienvenida, con visitas privadas a lugares emblemáticos de Roma y una cena con el cantante de ópera Andrea Bocelli, todo rematado con la decisión de Italia de unirse a la iniciativa de la Franja y la Ruta impulsada por Xi.

Cinco años después, en su primera visita al continente desde entonces, el líder chino aterrizará en un clima muy diferente. Si bien la pompa y las ceremonias pueden seguir presentes cuando Xi comience su gira europea de seis días en Francia el domingo, las opiniones sobre China en el continente han cambiado drásticamente.

En las últimas semanas, la Unión Europea ha lanzado investigaciones comerciales sobre las turbinas eólicas y la adquisición de equipos médicos chinos, y allanado oficinas de la empresa de equipos de seguridad china Nuctech en el marco de una investigación sobre subvenciones. Alemania y el Reino Unido también han arrestado o acusado recientemente a al menos a seis personas por presuntos espionajes y delitos relacionados vinculados a China.

Además, a principios de este año, Italia abandonó oficialmente la Franja y la Ruta, lo que supuso un duro golpe para el programa y su líder.

Divisiones dentro de Europa

Detrás de estos desarrollos se encuentran las crecientes quejas económicas que han llevado a la UE a prepararse para un posible conflicto comercial importante con China, así como las sospechas crecientes sobre las ambiciones y la influencia global de Beijing debido al creciente nerviosismo por las cada vez mayores relaciones de China con Rusia en medio de la guerra de Ucrania.

"China se considera cada vez más una amenaza multifacética en muchas capitales europeas. Pero hay divisiones dentro de Europa sobre cómo abordar rápida y lejanamente las preocupaciones sobre China, tanto en el ámbito económico como en el de la seguridad", dijo Noah Barkin, becario visitante senior con sede en Berlín en el German Marshall Fund of the United States.
