Bulls and bears: the epic battle - Zumo.tech

A bull market is when stock prices are on the rise and economically sound, while a bear market is when prices are in decline. The origin of these expressions is unclear, but one reason could be that bulls attack by bringing their horns upward, while bears attack by swiping their paws downward.

Where Did the Bull and Bear Market Get Their Names? - Investopedia

In the California bull and bear fights, the grizzly nearly always defeated the bull.

Pit Crew

Sacramento is made up of a small group of dedicated and experienced Pit Bull/Bully breed owners and advocates. Pit Crew Sac is committed to supporting "America's Dog" by dispelling the negative stereotypes and promoting the Pit Bull as loyal and loving family members that add joy and value to their owner's lives. Based in Sacramento California, PCS rescues, rehabilitates and re-homes dogs from shelters and places them with carefully selected responsible foster and adoptive families. We offer education and socialization support for the lifetime of our dogs. The dogs we rescue from the shelters are either already slated for euthanasia or they are high-risk. We do not take owner-surrenders. We strongly believe it is an owner's responsibility to safely and responsibly re-home their pet if for some reason they can no longer care for them. Of all dogs in shelters, approximately 70% are "Pit Bulls" or "Pit Bull Mixes". Only 1 in 500 dogs of this breed will find a home and the remainder are euthanized. PCS is devoted to reducing the homeless Pit Bull population through the spaying and neutering of all the dogs we rescue. Additionally, we participate in community outreach events which spay, neuter, vaccinate and microchip pets throughout Northern California. PCS is dedicated to saving the lives of Pit Bulls who have been neglected, abused and left for dead. We are foster-based which means that we do not have a facility. All of our rescue dogs are in foster homes and therefore foster families are a necessity in order to continue to save lives. We are a 501(c)3 Non-Profit Organization, and as such, we operate solely on public donations and fundraising activities to support our rescue efforts. Pit Crew Sacramento is run entirely by volunteers who are passionate about Pit Bulls and changing people's perceptions of this maligned and misunderstood breed. We welcome all Pit Bull enthusiasts to come join our crew!!!
