Cash Out

This exciting feature allows you to end your bet at a time of your choice. It could be early on in an event or towards the end. It may be that your selection is winning but not dominating the game. If unsure that they will hang on to their lead, you can cash out and receive a pay-out. This won't be as high as if you'd waited for the event to reach its end. However, there will be times when you cash out and your selection doesn't win so you have avoided losing your stake.
