Responsible betting at Spin Palace

As part of our mission to be the best online casino in New Zealand, we take responsible betting extremely seriously. Playing for real money in casinos online is tremendous fun, but the fun stops when players start to bet more money than they can afford to lose. This can lead to financial problems and gambling addiction. To prevent this from occurring, our responsible betting programme empowers players to take their gaming wellness into their own hands. Options include online tests to gauge responsible betting practices, setting personal limits on time and money spent online, time-outs and even permanent player bans if necessary.

CASINO SUPPORT

Need assistance with a cashout? Or have a query about the latest hot game? The Spin Palace Online Casino Support Team are ready to lend a helping hand any time, in most international languages.

Developer NetEnt takes players back to Miami in a follow up to the scorching hot crime-themed slot Hotline. Like its predecessor, Hotline 2 remains firmly implanted in the 1980s and just as full of Miami Vice references. At first glance, it might not appear much has changed. However, Hotline 2 is a slot that stands on its own two feet via a few feature changes and a cosmetic upgrade. Let's check the new The visitors took the lead with a disputed opener from Tomas Soucek after a defensive mix up, and though we toiled for the leveller – and hit the post through Bukayo Saka – we fell further behind in the second-half.
