BMM Testlabs is the longest established and most experienced private independent gaming testing laboratory in the world.

It has been serving the gaming industry for over 30 years.

Its experience, expertise, and dedication in this fast-paced and evolving market ensure it always exceeds client expectations.

All gaming content will be tested to the appropriate technical standards and jurisdictional rules, such as but not limited to RNG algorithm and implementation.

It is BMM's priority to protect the integrity of the patron and the regulatory components, as well as the iGaming operators.

BMM Testlabs provides real-time, accurate knowledge and information of the constantly changing gaming industry.

Its team provides the tools and materials, such as that of the RNG, to make well-informed critical decisions and to ensure regulators meet the continued goal in protecting the assets of their jurisdiction.
