A large selection of football betting markets are available each day, covering all of the top leagues as well as a large selection of smaller leagues throughout the world. During the European Football season, football dominates the pages on the website, with Europe's top football leagues such as the Premier League, La Liga and Serie A being listed under 'quick picks'.

There are a lot of betting opportunities on almost any game worldwide. They list more than 100 markets on big games in the major leagues such as the Premier League, and the matches in more obscure leagues such as the Icelandic league often have over 20 markets. However, matches in extremely obscure competitions such as the Indonesian League sometimes only have a single Win/Draw/Win market.

When clicking on the football tab, users then have to select whether to sort by leagues or by bet type. If listing by the latter, there are a number of coupons available. These include; Both Teams To Score, Asian Handicap, Total Goals, Goalscorer, Winning Margin, To Win Either Half, Corners and many more.

12Bet horse racing offers win and place markets for featured United Kingdom race meetings. The lay out of the site is good, with the next three races to start shown first. Then, today's races are listed, with results available for the races that have finished for the day. There is also a tab for tomorrow's races too. On each race, the racecard is listed as well as the opportunity to place forecasts/tricasts. Interestingly, the site also offers Best Odds Guaranteed on all UK and Irish horse racing, so they will give you the better price between the price taken when the bet was placed and the Starting Price (SP).

As well as the UK markets, the site also lists international meetings from countries like Germany, France, South Africa and more.

Overall, 12Bet odds are reasonably competitive. There are occasions when they offer top industry odds, either for the favourite or a other runners in the field. One major plus for them is that the site offers Best Odds Guaranteed for horse racing meetings in the UK and Ireland.

The cash out feature is a must for serious bookmakers in the present day. It is increasingly popular with online gamblers and can help users take profits rather than wait for a result to come in, or to simply cut losses if it looks like a selection has no chance of winning.

Cash out is available here on a good selection of football, tennis, basketball, ice hockey, american football and baseball markets. Simply go to your open bets and if cash out is available, a sum will be offered along with the cash out button. Users are given even more control with the partial cash out feature, which is operated by clicking the mini-slider button to cash out the exact amount you want too while letting the remainder run.

Matchedbets teaches its members how they can make money from betting offers and its guides explain how to turn offers into real cash profits.
