Das xBoot: Slot Overview

Das Boot is a movie released in 1981, which received a glowing critical response and is viewed 6 by many as one of the greatest and most expensive films Germany has ever produced. It was based on a 6 book of the same name published in 1973 by Lothar-Günther Buchheim, describing his experiences aboard German sub U-96, in the 6 hazardous waters of the Atlantic Ocean during World War 2. U-boats sinking Allied ships during WW2 might not be the 6 first topic that springs to mind when developers brainstorm new ideas. If there is one thing Nolimit City has taught 6 us, it's they are no regular studio, taking Das Boot, and transforming it into Das xBoot, a complex slot jam-packed 6 with an arsenal of extras.

Das xBoot is a real amalgamation of features and mechanics from previous Nolimit slots all rolled 6 into one. The graphics and effects are full-on Das Boot, the action located in a murky grey sea next to 6 the sub's starboard side. Paradoxically, since Das xBoot is based on the Kriegsmarine, it feels a little tame, coming so 6 soon after Mental. However, it packs in plenty of atmosphere, with some book style looks offset by a brilliant Jaws 6 meets Klaus Doldinger meets Blade Runner 2049 soundtrack, which adds a layer of lurking menace to induce an enjoyable tense 6 feel.

Playable from 20 p/c to R\$/€100 per spin, the base game is played on a 6-reel panel arranged in a 2-3-4-4-3-2 6 formation, which chops and changes depending on the game phase or if certain symbols are present. In its most basic 6 form, there are 576 ways to win, though this can balloon to 75,712 under the right conditions. It kind of 6 goes without saying that Das xBoot is a highly volatile slot, rated 10 out of 10 by its maker. RTP 6 is variable, so be on the lookout for the 96.03% version as it is the most generous one. Wins occur 6 at a frequency of 22.07%, while free spins trigger every 211 spins on average - there are two bonus round 6 levels, depending on how many scatter symbols hit to activate them.

Diving down further to the symbols, we come across ten 6 of them as the regular pays, plus various special symbols. On the low pay side are 10-A

card ranks, then 6 five crew members as the premiums – chefs, radio guys, engineers, periscope operators, and captains. The most valuable is the 6 Kapitanleutnant, worth 20 times the stake for a six of a kind winning combination.

Das xBoot: Slot Features

Going to sea for 6 any length of time requires plenty of stores to tie you over, and Das xBoot comes with loads of extras 6 such as xNudge Wilds, xWays, xBomb Wild Multipliers, Silent Hunter Spins, and Wolf Pack Spins.

Starting with the wilds, the

xNudge 6 Wild is a 4-row high wild symbol that always nudges to be fully visible. Each nudge increases its wild multiplier 6 by +1. xNudge Wilds land on reel 3 or 4 only, except in Silent Hunter Free Spins, where it only 6 lands on reel 4. All multipliers add to each other, and wins are evaluated using the total multiplier.

The xWays symbol

6 lands only on reels 2 or 5 to reveal 2-3 instances of a regular random symbol. If more than one 6 xWays symbol lands on the reels, they all reveal the same pay symbol.

When an

xBomb Wild lands, the global win 6 multiplier increases by +1, then it explodes, removing all non-winning symbols from the reels. Exploded xBombs convert to wild symbols 6 after exploding. The remaining symbols after the explosion drop to the bottom of the grid, and new ones tumble in. 6 If free spins trigger on the same spin, the win multiplier is carried over to them.

Keep an eye out for 6 the sonar display, it's the scatter symbol, appearing on reels 2-5. Landing 3 of them triggers 8 Silent Hunter Free 6 Spins, or 4 of them in view activates 8 Wolf Pack Free Spins.

For Silent Hunter Free Spins, reel 3

grows 6 to 8 positions high (like a periscope), and a new Periscope Wild may land on it. If matching symbols land 6 on reels 1 and 2, with a Periscope Wild on reel 3, a torpedo launch sequence occurs, and the win 6 multiplier increases by +1. This is a short boat attack animation, and if the boat is sunk, the Periscope Wild 6 covers reel 3. Also, for each position, the stack of Periscope Wilds nudge down to cover the reel, the multiplier 6 for that reel increases by 1. This value is added to any global win multiplier. If the attack misses, the 6 Periscope Wild remains a single wild. Finally, any scatter in view adds +2 additional free spins.

For Wolf Pack Free Spins, 6 a torpedo

tube appears beneath reels 2-5. When new torpedo wild symbols hit on these reels, they drop an xWays 6 symbol onto the torpedo area. These xWays symbols start on x2, increasing by +1 for each following torpedo wilds that 6 hit from then on, up to a maximum of x9. When all 4 positions of the torpedo are filled, it 6 launches out of the way to reveal xWays symbols. On reels 2 or 5, these revealed xWays transform into the 6 respective number of regular symbols; on reels 3 or 4 they become the applicable number of wild symbols. A torpedo 6 launch also increases the win multiplier by +1. Like before, scatter symbols award an extra +2 free spins.

The last feature 6 is the Nolimit Bonus feature buy

option where players can buy either bonus game. Silent Hunter Free Spins cost 75x 6 the bet possessing an RTP of 96.57%, while Wolf Pack Spins cost 350x the bet while having an RTP value 6 of 96.58%.

Das xBoot: Slot Verdict

Das xBoot has a higher than usual

complexity, though it's nowhere near as confusing as the 6 previous game Mental was. It will probably take a few bonus rounds to completely clock what is going on, yet 6 there is no residual confusion left once everything falls into place. It's funny, after

Mental, Das xBoot feels rather light 6 by comparison, which is an odd thing to say about a slot based on one of the most dangerous battlegrounds 6 of World War 2. Comic book graphics soften the theme to an extent, but sinking enemy ships and the menacing 6 soundtrack do a great job of building tension.

The features are a who's who line up of

Nolimit City classics. Limiting 6 special symbols to certain reels was a good idea, adding variety while also amplifying each other's effects should they trigger 6 in unison. Silent Hunter Free Spins would usually produce 1 or 2 Periscope Wilds per round, giving you the chance 6 of filling reel 3 with wilds. Get an xWays symbol or xNudge in there at the same time, and results 6 can be exciting. Das xBoot is a volatile slot, though, so brace for plenty of 'Scheisse' moments, too (the game's 6 word here).

As

we've seen in previous Nolimit City games, all it takes is one stunning spin to change everything, and 6 Wolf Pack Free Spins are where this is most likely to happen. Here is where you want to build as 6 high a collection of xWays symbols on the torpedo as possible. Then, if you manage to launch the torpedo, the 6 following spin can be absolutely crazy with all those potential wilds, multipliers and additional ways in play. Prepare for some 6 major teasing, however. One time during testing, the very last Wolf Pack spin launched the torpedo, jacking ways, alongside wild 6 stacks, xWays, the whole works... with absolutely nothing connecting on the first reel. That produced a humorous yet frustrating 'Nein, 6 nein, nein' animation as the game tried to commiserate with the close but no cigar outcome.

Das xBoot's gameplay is so 6 all or nothing it's

like a metaphor for a fruitless or successful submarine hunt. On a darker note, some estimates 6 put the chances of U-boat sailors surviving the war at 20%. By comparison, the odds of hitting Das xBoot's max 6 win are even slimmer. However, do so, and a colossal haul worth 55,200x the bet is coming your way, triggering 6 the Das Gold Des Roter Teufel feature as the round shuts down.

Having memories, or nightmares, of Mental

fresh in your 6 mind may diminish Das xBoot's impact, but this doesn't stop it from being another big, volatile juggernaut from Nolimit City. 6 Once again, the team has picked a theme most others would shy away from and stacked it with the sort 6 of gameplay that has no qualms torpedoing starry-eyed players out of the water as much as reward them.
