You communicate not to a machine, but with a professional casino dealer in a brick-and-mortar casino among real gaming tables. The whole game takes place right on your screen directly under your personal supervision.

You can play live roulette right

here for free, no deposit required.

The rapid development of Internet technologies and online casinos makes it possible to play roulette with a live dealer staying in the comfort of your home. Modern online casino software and live broadcast technology help to implement this exciting opportunity. Actually, a player may watch on the screen the real roulette table and the real roulette wheel spun by the professional dealer. So you can bet and watch the action, as in any brick-and-mortar casino.

Live Roulette Advantages

Live Roulette is the

opportunity to play one of the most exciting casino games right from your home. But your home comfort is not the only advantage of a live roulette game. You may play your favorite game anytime, day or night, eat while playing pancakes, sip your favorite beer and wear your lucky white shorts with red hearts — nobody minds it.

The main advantage

is that the dealer is alive and you can control the game and his actions. You do not need to rely on a random number generator (RNG), which is used to control the result of all standard online casino games.

Random Number Generator (RNG)

When you hear about a random number generator, you may get the feeling that it was invented specifically for online casinos. No, it was not. In fact, the RNG technology was first used long before in brick-and-mortar gambling houses. Do you remember old video poker machines, or slot machines? Well, it was random numbers generators. Some people still are skeptical about how fair the games based on RNG are. But don't blame RNG — it is a machine — blame the owners.

Modern online casinos use the built-in RNG technology which is checked by the independent auditors. Each casino is ensuring that in all offered games the RNG is good. After all, the reputation costs more than some hundreds of dollars gained through deception.

Live Game Online

RNG technology is of a high level of security, but many players do not quite understand it and, consequently, do not trust RNG games fully. For doubting players, a live game is an ideal option. You watch a professional croupier rolling the ball and spinning the real roulette wheel, so you just bet and relax.

Video

cameras broadcast every dealer's step and move live, so you literally control the game.

Live Roulette creates the true atmosphere of brick-and-mortar casinos in Las Vegas and Monte Carlo. So, get comfortable and fix yourself a favorite drink, check your bankroll — if it is OK, the game is ready for you.

Take a dip in your personal

Monte Carlo atmosphere just from your cozy armchair!

### **A lo menos ocho personas apuñaladas en la ciudad nororiental inglesa de Southport**

Al menos ocho personas resultaron apuñaladas en la ciudad nororiental inglesa de Southport el lunes, y algunas de las víctimas fueron trasladadas a un hospital infantil, según funcionarios de ambulancias.

La Policía de Merseyside informó que recibió informes de un apuñalamiento y los servicios de emergencia fueron llamados a un "incidente importante" en la ciudad alrededor de las 11:50 a.m. hora local (6:50 a.m. ET).

"Hay un número de víctimas reportadas y se confirmarán más detalles cuando sea posible. La policía armada ha detenido a un hombre y ha incautado un cuchillo. Él ha sido llevado a una comisaría", dijo la policía en su último comunicado. "Por favor, evite el área mientras resolvemos este incidente. No hay una amenaza más amplia para el público".

El propietario de un negocio local, Colin Parry, quien fue una de las personas que llamaron a la policía, describió la situación en Southport como una "escena de una película de terror", según PA Media.

Parry dijo que creía que un número de jóvenes niñas habían sido apuñaladas.

"Las madres están llegando aquí ahora y gritando. Es como una escena de una película de terror", dijo Parry, agregando que, "la policía lo tiene".

"Es como algo de América, no como soleado Southport", dijo Parry.

El diputado británico que representa a Southport, Patrick Hurley, dijo que estaba "profundamente preocupado" por el "incidente".

"Espero los mejores resultados posibles para los afectados. Mis pensamientos están con todos los afectados, sus seres queridos y con toda la comunidad", dijo Hurley.

*Esta es una historia en desarrollo y se actualizará.*

*Corrección: Esta historia ha sido actualizada para corregir el nombre de la ciudad donde ocurrió el incidente.*
