Girl, tell me what you're doing on the other side  
And tell, just tell me what you're doing with that other guy  
'Cause I ain't got patience to slow down the bass

All your girlfriends are wasted  
They need it, they chase it  
Face it, you want it, you crave it  
Believe when I say that you'll know once you taste it  
All of your friends have been here for too long  
They must be waiting for you to move on  
Girl, I'm not with it, I'm way too far gone  
I'm not ready, eyes heavy now  
Heart on your sleeve like you've never been loved  
Running in circles, now look what you've done  
Give you my word as you take it and run  
Wish you'd let me stay, I'm ready now  
Just give me some time and space to realize  
That you, were busy lying, sleeping 'round with other guys  
And what the hell were we?  
Tell me we weren't just friends  
This doesn't make much sense, no  
But I'm not hurt, I'm tense  
'Cause I'll be fine without you, babe  
All of your friends have been here for too long  
They must be waiting for you to move on  
Girl, I'm not with it I'm way too far gone  
I'm not ready, eyes heavy now  
Heart on your sleeve like you've never been loved  
Running in circles, now look what you've done  
Give you my word as you take it and run  
Wish you'd let me stay, I'm ready now  
Wish you'd let me stay, I'm ready now  
I'm not ready, eyes heavy now  
Woo  
All of your friends have been here for too long
