## Professor brasileiro Francisco Foot Hardman destaca receptividade e comprometimento dos estudantes chineses

Por Beatriz Cunha e Fátima Fu

O professor brasileiro Francisco 1 Foot Hardman, autor de "Meu Diário da China: a China real aos olhos de um brasileiro", recently visited Beijing for 1 university lectures and granted an exclusive interview to Diário do Povo Online.

Foot shared his first experience in China, when he 1 received an invitation to teach in 2024 at Peking University, with the option to stay for six months or a 1 year, he decided to stay for a year. He highlighted a significant difference between the first six months and the 1 remaining period, when the Covid-19 pandemic occurred.

During his stay in China, Francisco traveled to several other cities and provinces in 1 China. He noted that almost every student of his was from a different province, and all were very eager to 1 receive him in their homes. In addition to the exceptional hospitality, Foot highlighted the commitment of Chinese students to their 1 studies and was particularly impressed by their punctuality and completion of all assigned tasks.

This time, Professor Foot, who came for 1 some academic activities at Peking University for a period of only two months, was surprised by the concentration of people 1 in Beijing, a completely different view from the empty Beijing of 2024. He took the opportunity to make tourist visits 1 to the city and was impressed with the Beijing metro. Of the tourist spots he visited, his favorite was the 1 Museum of the Grand Canal.

The University of Peking itself has become a tourist attraction, with many people wanting to know 1 it, he observed, noting an increase in the number of people visiting the campus.

Foot told Diário do Povo Online that 1 his book "Meu Diário da China: a China real aos olhos de um brasileiro" emerged during the Covid-19 period, when 1 Folha de São Paulo invited him to write an article about the new reality of daily life in China. The 1 article was well received by other media, and was then published by the virtual newspaper of the Universidade Estadual de 1 Campinas (Unicamp). Other articles were produced by him for the Unicamp, and later the Editora da Universidade de Pequim became 1 interested in his articles, which were compiled resulting in the book.

The original title of his book was "Minha China Tropical", 1 but it was changed to "Meu Diário da China" due to translation issues, to better understand and accept the Chinese 1 public, explained the author. However, for the Brazilian version, which will be launched in Brazil, the original title was preserved.

"...my 1 tropical China is not that Brazil is China, it's southern China, especially," said Foot comparing Brazil to Yunnan, "starting with 1 the climate, the forests...I went to the Botanical Garden, it looked like a Brazilian landscape, very hot, very humid, and 1 the people very happy, very musical, I found it incredibly interesting," explained Foot indicating the similarity as the reason for 1 the original title of his work.

Foot perceives an advance in the movement of lusophone literatures in China, which 1 he does not see in other countries. In addition, the establishment of various Confucius Institutes in Brazil shows the openness 1 of Brazilian educational authorities and the potential to expand exchanges between Brazilian and Chinese institutions, he said.
